Mackey, 2005 In *Pursuing Johns* Thomas C Mackey studies the New York Committee of Fourteen and its members attempts to influence vagrancy laws in early 20th century New York City as a way to criminalize men's patronizing of female prostitutes. It sought out and prosecuted the city's immoral hotels, unlicensed bars, opium dens, disorderly houses, and prostitutes. It did so because of the threats to individual character such places presented. In the early 1920s led by Frederick Whitin the Committee thought that the time had arrived to prosecute the men who patronized prostitutes through what modern parlance calls a john's law. After a notorious test case failed to convict a philandering millionaire for vagrancy, the only statutory crime available to punish men who patronized prostitutes, the Committee lobbied for a change in the state's criminal law. In the process, this representative of traditional 19th century purity reform allied with the National Women's Party, the advanced feminists of the 1920s. Their proposed Customer Amendment united the moral Right and the feminist Left in an effort to alter and use the state's criminal law to make men moral, defend their character, and improve New York City's overall morality. Mackey's contribution to the literature is unique. Instead of looking at how vice commissions targeted female prostitutes or the commerce supporting and surrounding them, Mackey concentrates on how men were scrutinized. Book jacket      **Freedom Facts and Firsts** Jessie Carney Smith, Linda T Wynn, 2009-01-01. Spanning nearly 400 years from the early abolitionists to the present, *Freedom Facts and Firsts: 400 Years of the African American Civil Rights Experience* profiles more than 400 people, places, and events that have shaped the history of the black struggle for freedom. Covering such mainstay figures as Martin Luther King Jr, Malcolm X, and Rosa Parks, as well as delving into how lesser-known figures contributed to and shaped the history of civil rights, *Freedom Facts and Firsts* chronicles the breadth and passion of an entire people's quest for freedom. Among the inspiring stories found in this comprehensive resource are: How the Housewives League of Detroit started a nationwide movement to support black businesses, helping many to survive the Great Depression; What effect the sports journalist Samuel Harold Lacy had on Jackie Robinson's historic entrance into the major leagues; How the 9th and 10th Cavalry and the 24th and 25th Infantry became known as the Buffalo Soldiers, a term of respect and endearment; How Whoopi Goldberg survived poverty, drug addiction, single parenthood, and a welfare income, and used her personal history to take a satirical look at social issues; How world champion cyclist Marshall Major Taylor was the first American-born black champion in any sport; How in 1890 John Mercer Langston became the first black U.S. congressman elected from his native state of Virginia. This inspiring resource offers an encouraging look at the historic struggles and
