## Calming Reflections:

*Calming Reflections*, 2008      Calming the Storm Robert Kelly (S.J.), 1989      Awakening to Love Simon

Herfet, 2018-11-21 This book is about the reason for your being here in this life in this body in this now moment For the present time is one of a cataclysmic shift in consciousness never seen before in your history on this planet This shift is one from a sleeping state of humanity's mass family consciousness to one of great awakening to a higher consciousness of connection to the one spirit which permeates and gives life to all creation in your universe This is a time long prophesied as this one shared higher consciousness awakens in you towards the realisation of the beauty and clarity of who you all truly are For who you are is pristine perfect consciousness Never tainted by anything which you or your ancestors have ever said or done including lifetimes long preceding this one in which you now find yourselves This book is presented here as a call to each soul on the cusp of this awakening To quite simply help to remind each person that they are a magnificent radiant soul of love Connected to infinite wisdom And that they are now returning to this remembering long lost in the sands of time to help humanity move forward as a wave of awakened beings Sharing the one consciousness which once slumbered But now like a lion roars awake to facilitate and create the new world the creator has in store for Planet Earth      *Let's Go for a Walk*
