Calgary Stampede:

Calgary's Stampede Queens Jennifer Hamblin, 2014 Alongside images of racing chuckwagons cowboys on bucking broncos and Aboriginal people in full regalia one of the most recognizable and enduring symbols of the Calgary Stampede is a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede's first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary's Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth Stampede Kimberly A. Williams, 2021-05-25T00:00:00Z Kimberly A Williams wants the annual Calgary Stampede to change its ways An intrepid feminist scholar with a wry sense of humour Williams deftly weaves theory history pop culture and politics to challenge readers to make sense of how gender and race matter at Canada's oldest and largest western heritage festival Stampede examines the settler colonial roots of the Calgary Stampede and uses its centennial celebration in 2012 to explore how the event continues to influence life on the streets and in the bars and boardrooms of Canada's fourth largest city Using a variety of cultural materials photography print advertisements news coverage poetry and social media Williams asks who gets to be part of the we in the Stampede's slogan We're Greatest Together and who doesn't **The Calgary Stampede** Kenneth Wayne Tingley, 2012 By 1912 the large scale cowboy ranches of the Old West had been disappearing for years and the Calgary Stampede along with other exhibitions like Buffalo Bill's Wild West Show was set up to commemorate a fading way of life for younger generations and for those who still remembered the mythic era The Canadian Northwest shared in that grand tradition and the time was right for a great Canadian cowboy showcase After a century of international acclaim the western dream continues and to commemorate the early days of the great Calgary Stampede a collection of post cards from its enthusiastic youthful years illustrates the look and feel of those exciting times Taken from the vast post card collection held by the University of Alberta Libraries these classic views capture all the excitement from the championship cowboys

cowgirls and horses to the tragedies of defeat and injuries The parades the aboriginal camps and all the lively hoopla are recalled in these images with historical text to add context to those days of dust sweat and glory *The Calgary Stampede* The Calgary Herald,2012-08-14 With the Calgary Stampede celebrating its Centennial in 2012 the Calgary Herald delved into the past present and future of this event the Greatest Outdoor Show on Earth The result is a book brimming with treasured stories with hundreds of rare and or historical photos the 10 most unforgettable Stampede images from each decade of the past 100 years pages of memorabilia a collection of the Stampede s annual posters and archived editorial cartoons Also found in this book are chapters exploring ten major themes of the Stampede stories and photos from the Centennial event itself a reproduction of the rare program from the first Stampede in 1912 complete with pictures and text and writings from Stampede founder Guy Weadick before his death *The Beaver* ,1921 Motion Picture Herald ,1926 *Brotherhood of Locomotive Firemen and Enginemen's Magazine* ,1930 The Beaver ,1933 **Interactive Design** , **Clay, Robinson & Company's Live Stock Report** ,1919 Dun-Camp's Tour Manual ... ,1929 **The Saturday Evening Post** ,1925 *United Farmer, Incorporating the U.
