California Painters Henry Hopkins, Jim McHugh, 1989 **Photographs by Southern California Painters and Sculptors** University of California, Santa Barbara. College of Creative Studies. Gallery, 1977 **California Painters** Henry T. Hopkins, 1989-10-01 Gathers selected works by California artists and includes brief statements by each artist about his or her paintings The Art of Joan Brown Karen Tsujimoto, Jacquelynn Baas, Joan Brown, University of California, Berkeley. University Art Museum, Oakland Museum of California, 1998-01-01 Examines the California artist's life and work offering reproductions of many of her pieces **California's Magazine**, 1916 Ascending Chaos, 2012-09-28 Ascending Chaos is the first major retrospective of Japanese American artist Masami Teraoka's prolific and acclaimed work thus far. In Teraoka's paintings which have evolved from his wry mimicry of Japanese woodblock prints to much larger and complex canvases reminiscent of Bosch and Brueghel the political and the personal collide in a riot of sexually frank tableaux. Populated by geishas and goddesses, priests and politicians and prominent contemporary figures, these paintings are the spectacular next phase of a wildly inventive career. With essays by renowned art critics who discuss how Teraoka's work inventively marries east and west, sex and religion, Ascending Chaos is a critical overview of this cultural trickster.
