**The Syllabus** Mike Barnes, 2002 This is a funny book There are moments of pure childhood stupidity and ignorance that made me laugh out loud Particularly hilarious is a moment when a boy in high school determined to get back at the person who is stealing his lunch carefully empties an Oh Henry chocolate bar of its solid core of caramel and refills it with lead shavings cat excrement litter and other awful things He then seals the chocolate bar back up and delights in imagining the victim's response to the first bite One stupefied grunt when the taste cuts through the sugar then bleats and yelps rising to a terrified crescendo subsiding very very slowly to the deep anguished lowing of a gored steer **The Lily Pond** Mike Barnes, 2008-09-30 A memoir that chronicles unflinchingly the destructiveness of bipolar disorder an illness that infiltrates thinking feeling and acting in ways that change the very fabric of identity of the life story one is telling oneself however The Lily Pond is equally searching in its exploration of the psyche's resources in healing and reknitting that story **The Canadian Short Story** John Metcalf, 2018-09-25 No other person has done more to celebrate and encourage the short story in Canada than John Metcalf For more than five decades he has worked tirelessly as editor anthologist writer critic and teacher to help shape our understanding of the form and what it can do The long time editor of the yearly Best Canadian Stories anthology as well as a fiction editor at some of the pre eminent literary presses in the country for more than forty years he has worked to support and champion several generations of our best writers Literature in Canada would be far less without his efforts Sifting through a lifetime of reading writing and thinking about the short story in this country and where it fits within the larger currents of world literature Metcalf's magisterial The Canadian Short Story offers the most authoritative book on the subject to date Most importantly it includes an expanded and reconsidered Century List Metcalf's critical guide to the best Canadian short story collections of the last 100 years But more than a critical book The Canadian Short Story is a love letter to the form a passionate defense of the best of our literature and a championing of those books and writers most often overlooked It is a guide not only to what to read but also one its author's most fervent desire which aims to make better readers of us all **Index of American Periodical Verse 1984** Rafael Catalá, James D. Anderson, 1986 The Index of American Periodical Verse is an important work for contemporary poetry research and is an objective measure of poetry that includes poets from the United States Canada and the Caribbean as well as other lands cultures and times It reveals trends in the output of particular poets and the cultural influences they represent The publications indexed cover a broad cross section of poetry literary scholarly popular general and little magazines journals and reviews **Aquarium** Mike Barnes, 1999 Movement is the key to this collection The settings for the stories in Aquarium range from metropolis to hamlet from a Florida retirement community to a northern Ontario reserve on the brink of freeze up The people in Aquarium are as varied as its locales the characters are landlords actors drinkers painters teachers doctors steelworkers fishermen students shopkeepers weathermen clerks and security guards Couples are a recurrent theme the dreams and devices by which lovers
