John Henry Newman and the Imagination Bernard Dive, 2018-05-17 For John Henry Newman religion is animated by an imaginative master vision which supplies the mind with spiritual life and peace All his life Newman reflected on this master vision His reflections on the moral imagination developed out of his understanding of practical wisdom as characterized by Aristotle the wisdom that the good man has in living a good life For Newman the vision at the core of religion completes and perfects the intuitions of the conscience John Henry Newman and the Imagination looks at how Newman s understanding of the moral and visionary imagination developed over the course of his life and it relates his ideas about the imagination to his portrayals of religious experience and vision in his novels and poetry **A Handbook of Poetics** Francis Barton Gummere, 1885 **Studies in the History of Sanskrit Poetics** Sushil Kumar De, 1925 *A Handbook of Poetics for Students of English Verse* Francis Barton Gummere, 1886 **The Unraveling Heart** Madhuri Deshmukh, 2025-12-09 Women s songs of the grind mill are among the oldest oral traditions in South Asia They have been sung to accompany a daily household labor making flour using a stone hand mill for many centuries Even today grind mill songs are still well known in Maharashtra testifying to the endurance of a remarkable genre Yet these songs have long been understood through sociological or anthropological lenses treated as entirely separate from literary culture This groundbreaking book shows that women s songs of the grind mill played a foundational role in the vernacular turn to making literature in Marathi between the thirteenth and eighteenth centuries Madhuri Deshmukh demonstrates that women s songs developed alongside and in intimate conversation with Marathi written literature shaping the poetic structures and motifs of the bhakti tradition Drawing on aesthetic categories from the songs themselves she calls for understanding these artfully crafted compositions as oral poetry in a lyric mode underscoring that women describe their songs as an unraveling of the heart while they compare written poetry to weaving Deshmukh argues that women poets Mahadaise and Janabai were at the forefront of vernacularization challenging common literary historical narratives that neglect the role of communities excluded by elite

regimes of writing Considering what songs say about texts and what texts say about songs The Unraveling Heart offers new insight into the importance of labor and gender to aesthetics and develops a novel approach to the concept of the literary
