es un volumen ideal para aquellas personas que desean actualizar sus conocimientos del campo y obtener una perspectiva panorámica sobre la investigación y la enseñanza del español como lengua de herencia. Características principales: temas que incluyen entre otros la fonología, la fonética, la morfosintaxis, la pragmática, la enseñanza mediante el enfoque por tareas, la literacidad múltiple, el translenguar, los programas de community college, el español para fines específicos y la investigación. Contenido: textos empíricos y pragmáticos relevantes para la enseñanza del español como lengua de herencia; descripciones y ejemplos que facilitan la adquisición de conocimientos sobre la materia; diferentes secciones que permiten la flexibilidad en cuanto al orden de lectura del volumen; preguntas de reflexión al final de cada capítulo para facilitar la comprensión de los temas presentados. Escrito de manera clara y accesible. Aproximaciones al estudio del español como lengua de herencia es un recurso indispensable para cursos de grado y posgrado en español sobre el español como lengua de herencia. Aproximaciones al estudio del español como lengua de herencia brings together a number of diverse scholarly voices and perspectives on the study of Spanish as a heritage language with a focus on the United States context. The volume presents a comprehensive view of this growing and dynamic field with the latest on linguistic approaches, pedagogical models and programmatic innovations. Directed to beginning and seasoned researchers as well as to students and practitioners who wish to update their knowledge of the field and gain a fresh perspective on different approaches to researching and teaching Spanish heritage bilinguals. Written in Spanish for a wider audience in the Spanish speaking world and for the teaching of undergraduate and graduate courses in Spanish. Key features: A broad range of topics including phonology, phonetics, morphosyntax, pragmatics, task based language teaching, multiliteracy, translanguaging, community college programs, Spanish for specific purposes and action research among others. Clear overviews of theoretical, empirical and pragmatic issues relevant to the teaching of Spanish as a heritage language. Every chapter builds on specific core questions central to current understandings of research and practice. Concise descriptions and examples throughout provide readers with the tools they need to understand the subject matter. Organized into three sections that allows for flexibility regarding reading order. A section of reflection questions at the end of each chapter to help readers gain a deeper understanding of the issues at stake. Written in clear and accessible Spanish. Aproximaciones al estudio del español como lengua de herencia is a critical resource for those interested in understanding Spanish heritage speakers' multifaceted linguistic experience in tandem with providing a meaningful educational experience that supports their personal, professional and learning goals.

Teaching American Literature in Spanish Universities Carme Manuel Cuenca, 2002. Un dels aspectes més valuosos d'aquest llibre és que comença enllaçant a través dels dos primers articles l'educació universitària amb el seu nivell immediatament anterior, l'escola secundària, una connexió que sovint s'oblida amb seriosos resultats per a tots dos. En aquest sentit, Benito Camacho Martín, l'autor d'un dels articles, realitza una anàlisi crítica i en certa manera dogmàtica sobre el declivi de l'ensenyament de literatura a les escoles de secundària tant en hores dedicades com en coneixements adquirits. Els altres articles, alguns en anglès i uns altres en

castell tracten diferents aspectes de l'ensenyament de literatura nord americana amb una m'fasi manifesta en materials del segle XX i sobretot en la literatura afro americana de fet el llibre resultar particularment til per als professors d aix ltim
