

## PREFACE

Banking industry is the primary requirement for the financial development of the country. Up to the mid after the liberalization, privatization, globalization process private sector bank, co-operative bank and multi national banks have emerged strongly. The banking sector has the potential to become special sector of the next decade. In terms of savings mobilizing, employment generation, rural development and also financing the government in building up the infrastructure in the economy. Here as management student this to study and observe the overall development of the banking sector and how the market is influenced by the market of various players.

I realized how theories, principals and the laws implied with the practical manner. Thus practical exposure of the industry is important to learn and observe for the management students. It was interesting to have summer placement / industrial training / project study at the HDFC Bank Ltd.

I worked at waghawadi road main branch Bhavnagar and have tried my best to collect information on marketing, finance and human resource by visiting each of the department.
