Sufism, Mystics, and Saints in Modern Egypt Valerie J. Hoffman,2023-02-07 A fascinating insider s account of Sufi life in contemporary Egypt For centuries Sufism Islamic mysticism held a major place in Islamic spirituality intellectual life and popular religion While many scholars have commented on Sufism s decline few have delved deeply into present day Egyptian Sufism or considered it as a system in its own right Drawing on her detailed fieldwork and a variety of little known literary sources Valerie J Hoffman presents Sufism as it exists in Egypt today in the vivid experiences of its adherents With an array of conclusions that overturn widely held beliefs about modern Sufis Hoffman argues that the apparent assimilation of Egyptian Sufism masks a thriving movement hidden from the Western world From her experiences as a quasi disciple of a Sufi master she offers new insights into the movement s evolution the vital role of women in Sufism and Sufi perspectives on gender and sexuality

Favourite Patron Saints Paul Burns,2005-11-15 This book is a selection of saints presented chronologically and as Patrons The proportion of women to men is deliberately higher than usual and the aim is in accordance with Pope John Paul s intentions to produce a worldwide spread of saints Lesser known figures that did remarkable things feature amongst some of the best known saints Although legends are mentioned in true Butler s tradition emphasis is always on historical fact Entries are limited to canonised saints Emblems or attributes are described where relevant and there are touches of humour where appropriate The short introduction concentrates on the historical development of canonisation and draws some social implications At the head of each page the patronage of the saint in question is given for example medicine taking exams music hunting
