

A woman in a long white dress stands on a dark, grassy hill at sunset. She is looking towards the sun, which is low on the horizon, creating a warm orange and yellow glow. To the right of the woman, a large, dark, curved shape contains the text "God's Promise of Love & Forgiveness" in white, serif font.

Forgiveness, and Moral Repair Maria-Sibylla Lotter,Saskia Fischer,2022-01-03 In current debates about coming to terms
with individual and collective wrongdoing the concept of forgiveness has played an important but controversial role For a
long time the idea was widespread that a forgiving attitude overcoming feelings of resentment and the desire for revenge
was always virtuous Recently however this idea has been questioned The contributors to this volume do not take sides for or
against forgiveness but rather examine its meaning and function against the backdrop of a more complex understanding of
moral repair in a variety of social circumstantial and cultural contexts The book aims to gain a differentiated understanding
of the European traditions regarding forgiveness revenge and moral repair that have shaped our moral intuitions today whilst
also examining examples from other cultural contexts Asia and Africa in particular to explore how different cultural traditions
deal with the need for moral repair after wrongdoing **The Old Testament in the Jewish Church** William Robertson
