A Seed Must Fall:

The Third Dimensional Man Paul Barham,2019-09-24 Paul Barham ordained as a pastor in July 2008 was called trained and anointed by God in the ministry of deliverance and spiritual warfare He is the Pastor of a home church and operates a phone line ministry He was commissioned by God to write books and to teach and open the eyes of believers about the untold truth and mysteries in the Word of God He explains what the body of Jesus Christ means in a simple and understandable way Born in Kingston Jamaica he was raised in a Christian family His mother is an evangelist and his father is an Elder and founding member of the Redemption Church of God Both parents have been associated with this church for nearly sixty years and they have been married for fifty eight years Pastor Paul was raised with one sister and three brothers in Bridge Port Portmore located in St Catherine parish Jamaica He migrated to the United States in 2003 Paul Barham is married to Michelle Barham and they have four beautiful daughters They currently reside in Naples Florida One morning on his way to work in August 2012 the Lord spoke to him in a vision and said Paul listen I need you to understand the third dimensional man Meditate on it and I will tell you what it means You are going to minister on the topic Paul immediately saw the drawing of the image of a man as it morphed into three different stages He understood the vision clearly and the meaning behind it as it appeared before him in his spirit but he was unable to explain and communicate clearly to others what he had seen and experienced Later it was revealed to him that the third dimensional man is the Man Christ Jesus in His resurrected and ascended state a state that we as Christians and believers will also be in when the rapture occurs What this book reveals is spiritual awareness and empowerment that the children of God possess and the ability to do great and mighty works in the name of Jesus Christ Praise the Lord *Report* Missouri Corn Growers' Association,1920 The Decisions That Shape One's Destiny Lloyd N. Moffatt,2011-05-11 Every lesson experience and obstacle that is part of life requires a person to make a critical decision that will shape his or her destiny It is through those experiences that come from the lessons that life teaches and the obstacles that one must go through that defines truly where one s heart and purpose lies in this world I wrote this book because I know how important decision making is in everyone s lives There are people who like to make decisions such as finding the right career the right person to marry the right places to live and raise their children even decisions that affect their overall dreams and goals Each person was born with a purpose in this world No one can exist in this life without one God doesn t make any mistakes in who or what He creates Therefore because you are not a mistake and God created you with a purpose you have every reason to tap into your abilities and capabilities to impact the world If you are hungry to discover your true potential passion and purpose in life you will be an entirely different person after reading this book You will have the mindset to accomplish every impossible dream and goal that many people thought you could never possibly attain **The Year's Entertainments** ,1909 **The Path** ,1887 **Journal of Agricultural Research** United States.
