*Symbolism in Korean Ink Brush Painting* Francis Mullany,2022-09-12 With more than 200 colour plates and for the first time available as a study in English this volume explores the vast heritage of Korean ink brush painting providing a rich panorama of information that stretches across the entire spectrum of Korean art including painting pottery calligraphy and literature which will have wide appeal not least to art lovers and students of Korean Studies Part I presents the material in essay form Part II which uses a dictionary format summarizes the information in Part I and highlights the hidden messages and symbolism inherent in literati ink brush painting in Korea When China and Japan opened up to outside influence in the nineteenth century Korea maintained a closed door policy becoming known as the hermit kingdom only to be swallowed up in the struggle for hegemony between the Great Powers Annexation by Japan in 1910 threatened Korea s language and culture with extinction Liberation in 1945 was followed by the tragedy of the Korean War in 1950 In the period of reconstruction after the Korean War artists and scholars faced the task of retrieving Korea s endangered cultural tradition Ink brush painting is a unique part of this tradition its history stretches back through the Choson dynasty when Chinese influences were assimilated and absorbed and made into Korea s distinctive tradition

**Stimulus Class Formation in Humans and Animals** T.R. Zentall,P.M. Smeets,1996-10-24 Stimulus class formation has been studied independently by two groups of researchers One group has come out of a learning theory approach while the second has developed out of a behavior analytic tradition The purpose of the present volume is to further establish the ties between these two research areas while allowing for differences in approach to the questions asked The book is loosely organized around four themes The first two sections deal with what constitutes functional and equivalence classes in animals and humans In the third section the authors attempt to identify stimulus control variables that contribute to the formation of equivalences classes The last section deals with the complex issue of the role of verbal behavior in equivalence classes The goal of the book is to provide the reader with a better understanding of the current state of research and theory in stimulus class formation It is also hoped that it will stimulate research into how and under what conditions stimulus classes can form

**Homing with the Birds** Gene Stratton-Porter,1920 *Homing with the Birds* is a book in which one comes into intimate contact with one s feathered friends to the extent of feeling that they actually have personalities This is doubtless because Mrs Porter is a true and devoted friend to them herself and has been so since her childhood She says Almost my first distinct

memory is connected with a bird and then proceeds to tell how this was upon an occasion when she was willing to deny herself the joy of eating cherries in order that woodpeckers in the neighborhood might not be killed Many such incidents of the author s childhood are in the book demonstrating her intense almost romantic attachment to the feathered tribes The book is more than a record of bird life it is that of a charming young growing human life deeply concerned with the things of nature At the same time it is full of information not only delightful but useful for birdlovers and students of natural history and outdoor matters *American Ornithology for Home and School* ,1905 How Animals See the World Olga F. Lazareva,Toru Shimizu,Edward A.
