A Platonic Discourse On Love:

A Platonic Discourse on Love Pico Della Mirandola, Emilio Tomas Baldano, 1994-09-01 **A Platonic Discourse Upon Love ... Edited by Edmund G. Gardner** Giovanni Pico della Mirandola, John Edmund Garratt GARDNER, 1914 **A Platonic Discourse Upon Love** Giovanni Pico della Mirandola, 1914 **Novelistic Love in the Platonic Tradition** Jennie Wang, 1997 The love story is an integral part of many novels What is its narrative status How does it function and why In this original study of Socratic love stories from Plato through Fielding and Faulkner to the Postmodernists Jennie Wang proposes a new narrative theory in the study of the novel which deconstructs the mimesis of love stories and reconstructs their historicity Wang claims that in the Platonic tradition the construction of love stories is often a dramatization of the author's historical vision philosophical speculations cultural criticism or political ideology Novelistic love functions as a literary medium a power of free speech that enables the novelist to speak unspeakable truths and include excluded subjects Wang's work will be of interest to both philosophers and scholars of American literature and postmodernism *Tales of Love* Julia Kristeva, 2025-03-04 Julia Kristeva pursues her exploration of the core emotions of the human psyche through a series of philosophical and literary texts She focuses on the role of narcissism and idealization in the formation of a love object accounting for the role of the death drive by coining the term love hate *Tales of Love* offers illuminating psychoanalytic readings of Thomas Aquinas courtly romances Romeo and Juliet Baudelaire Stendhal and Bataille among others **IDIOT LOVE and the Elements of Intimacy** David Stromberg, 2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy Encyclopedia of Love in World Religions Yudit Kornberg Greenberg, 2007-11-15 This is the first comprehensive resource on the subject of love in the teachings of the world's major religions cultures and philosophies *Encyclopedia of Love in World Religions* is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love *Encyclopedia of Love in World Religions* features approximately 300 subject entries as well as insightful biographic

sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject

Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love's integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world *Love's Remedies* Patricia Berrahou Phillipy,1995 Bakhtin are suitable tools for an examination of the Petrarchan lyric and its recantation while at the same time the nature and value of these critical concepts are interrogated **Love, Beauty or Morality** Alberto Castelli,2024-05-23

This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it Milton and Plato Herbert Agar,1928 **The Philosophy of (erotic) Love** Robert C. Solomon,Kathleen Marie Higgins,1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world's best thinkers have brought and continue to bring to the study of love The Dialogues of Plato Plato,1874 **Journal of the Dept. of Letters** University of Calcutta. Dept. of Letters,1920 *The Discourse of Courtly Love and the Comedia* Robert Elliott Bayliss,2003
