M. Taylor,2015-06-17 Excerpt from A Constitutional and Political History of Rome From the Earliest Times to the Reign of Domitian I have been led to write this History by the want I have often felt of a text book dealing with the origin and growth of the Roman institutions which should be accessible to those not equipped with a knowledge of French and German My aim has been to give students of Roman History who are reading that subject in conjunction with many others and whose time is necessarily limited a short account of the growth of the Roman constitution and the problems with which it is surrounded Generally I have followed the ideas of the leading writers on the subject where I have ventured to differ from them I have done so with diffidence and only after careful consideration of the available evidence In preparing this book I have used freely the English Translation of Mommsen s History of Rome Professor Pelham s Outlines of Roman History the works of Herzog and Willems and in the first chapter the late Professor Seeley s Introduction to Livy Book I I have acknowledged other obligations in the notes which I have reduced to the smallest possible compass A select list of authorities is subjoined About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
