## **A Portrait Of Jesus:**

*A Portrait of Jesus* Joseph F. Girzone, 1998 There are countless paths to follow when seeking spiritual guidance but thousands of years of religion and theology cannot replace the premier example that Jesus himself set In *A Portrait of Jesus* bestselling writer Joseph Girzone recaptures the truth of Jesus that is presented in the Gospels and gives a compelling vision of the person Jesus contemporaries must have known In his most powerful work yet Girzone seeks to personify Christ in the minds of readers by asking some simple questions What did people see in Jesus as he walked down the street How did he approach others and what would these people take away from meeting him What do his actions tell us about how we can live our lives today It is Girzone s empowering and loving understanding of the heart of Christianity that will make *A Portrait of Jesus* a groundbreaking classic in the tradition of his bestselling books *Joshua* and *Never Alone* From the Hardcover edition

*Four Portraits, One Jesus, 2nd Edition* Mark L. Strauss, 2020-03-24 A thorough introduction to the four biblical Gospels and their subject the life and person of Jesus Like different artists who render the same subject using unique styles and points of view the Gospels paint four distinctive portraits of the same Jesus of Nazareth To Christians worldwide he is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life With clarity and insight biblical scholar Mark Strauss illuminates these four books addressing the following important areas The nature origin methods for study and historical religious and cultural backgrounds of each of the Gospels A closer study of the narratives and themes found in Matthew Mark Luke and John and their contribution to our understanding of Jesus A detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential This fully updated textbook together with its workbook video lectures and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels

**Portraits of Jesus in the Gospel of John** Robert P. Lightner, 2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use

*A Portrait of Christ* D. Patrick Ramsey, 2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person **The Life**

J. John, Chris Walley, 2004 A fresh one stop book on Jesus looking at the evidence for him at what he did and at how he can affect our lives today There is no denying the importance of Jesus Christ in the history of humankind He has walked through the last two thousand years of history of empires governments political systems and philosophies and has remained as a dominant challenging yet mysterious presence In *The Life* J John and Chris Walley achieve an uncommon blend a serious book for popular use and a popular book for serious reading Evangelism in order to invite people to come to Jesus we need to know who he is Education this book attempts to counter some of the modern misconceptions about Jesus i e that he was just another prophet guru Many recent books written on Jesus separate the Jesus of History and the Christ of Faith *The Life* demonstrates how the two are inextricably linked **Jesus, the Human and Humane Face of God** Francis Pereira, 2000

**The Portraits of Jesus Christ in the New Testament** Henry Sloane Coffin, 1925 *A Portrait of Jesus* T. A.

Prickett, 2010-07 The impulse to publish these sermons came to me after I had successfully published my book *For Our Age of Anxiety* based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus

*Jesus according to Scripture* Darrell L. Bock, Benjamin I. Simpson, 2017-01-31 Updated Edition of a Bestselling Study of Jesus and the Gospels In this work Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents When read together the Gospels provide a clear picture of Jesus and his unique claims to authority This book surveys all the Gospel units and relates them to their parallel passages showing how the literary and canonical relationships work Offering up to date interaction with the latest discussions about Jesus the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels **Seeing Jesus Today** John Bishop, 1973 *Jesus According to Scripture* Darrell L.
