A. Poulin, Jr. New Poets in America Series, 1977 **A. Poulin, Jr. New Poets of America Series**, 1998 **Selected Poems** A. Poulin (Jr.), 2001 Poet translator and publisher A Poulin Jr was the contributing editor of Contemporary American Poetry published by Houghton Mifflin The founder of BOA Editions Poulin died in 1996 **Duino Elegies and The Sonnets to Orpheus** Rainer Maria Rilke, 2005 Long considered the definitive English translation of Rilke's brilliant and haunting masterworks A Poulin's edition of Duino Elegies and The Sonnets to Orpheus provides an essential introduction to some of the most passionate and intensely creative visionary poetry of the twentieth century With a new foreword by the esteemed poet Mark Doty and a fresh new design Poulin's revered translation is certain to acquaint a new generation of readers with the works of Rilke *A Voice in the Fire* Theodore Ell, 2015-03-28 Piero Bigongiari 1914-1997 was among the most prolific and consistent Italian poets of the last century He was central to the third generation of ermetismo the movement that voiced the mysterious the hidden and the abstract Bigongiari was a poet of origins exploring the grounding of cultures in landscape and myth the depths and limitations of home and the symbols and narratives that sustain an individual's bond to places His poetic technique was based on the elaboration of motifs tracing evolving ideas in a web of verbal themes and variations Bigongiari's was a voice of memory dreams and the surprises of the psyche speaking beyond politics or ideology to express an Italian sense of existing in modern times Yet his work is unfamiliar to most Italians and English language readers This book the first English in depth study of the poet addresses the roots of Bigongiari's writing and moral ideas which took form during the Second World War After the fall of fascism and the destruction of much of his beloved Florence Bigongiari abandoned the mystical style of his first collection seeking greater emotional immediacy and a more incisive view into Italy's mental life His fixation on origins arose from a belief that the fascist generations had been untrue to themselves his technique of elaboration began as an attempt to sustain fragile creativity from one poem to the next The destructive fire of war became the crucible in which he reinvented his art Drawing on the full range of Bigongiari's wartime writing from his major poetry collection *Rogo Pyre or Blaze* to essays diaries and new archival discoveries this book is a portrait of an author overcoming crisis and confronting the failures of his time head on *A Voice in the Fire* will appeal to fans of Italian literature and poetry and particularly fans and students of Bigongiari's work It will also be enjoyed by anyone interested in WWII writing European war poetry or European history [Index of American Periodical Verse 1977](#) Rafael Català, Sander W.
