your goats **The Cumulative Book Index** ,1980 A world list of books in the English language **Small Farm Today**
,1999 *Raising and Keeping Dairy Goats* Katie Normet,2017 The ideal reliable guide to goat keeping for the new
commercial enterprise or the small hobby farm A city kid Katie Normet discovered a fascination for large animals early in her
life one that led her to study animal sciences at one of Canada s most distinguished agricultural colleges While there Normet
rubbed shoulders with fellow classmates from farming backgrounds and caught another bug the urge to make a living raising
animals Today she and her family run River s Edge Dairy in Central Ontario where Katie oversees a herd of some 75 goats
which produce more than 50 000 liters of milk a year Much of this milk is transformed into delicious yogurt cheeses and
unique goat butter tarts as well as soaps and moisturizing creams which Normet sells directly from the farm and at local
markets Raising and Keeping Dairy Goats is Normet s account of the daily challenges and rewards of life as a goat farmer
from her experience rehabilitating a farm from the ground up to learning firsthand the ins and outs of acquiring and caring
for goats Normet s central piece of advice runs through her book like a commandment Know your goat Keeping eyes on each
goat and noting even subtle changes in behavior and demeanor are key to managing a problem quickly and keeping your
goat healthy Normet explores all the big picture issues in goat husbandry including Purchasing Housing Feeding Breeding
Kidding Milking Identifying and treating diseases and ailments There are also chapters on cheese making and soap making
with tips and recipes While the author doesn t gloss over the responsibilities of early morning milkings and late night kidding
dramas she deftly communicates the innate appeal of one of nature s most charming and charismatic domesticated animals
For Normet every inconvenience is a blessing in disguise and whether readers are preparing to launch their own commercial
enterprise or simply interested in providing goat milk for their family her story will serve as a reliable guide
