A Romance With Reality

Tobias Bleicker

A Romance With Reality:

The Bizarre World of Reality Television Stuart Lenig, 2017-10-12 How do reality television programs shape our view of the world and what we perceive as real and normal This book explores the bizarre and highly controversial world of reality television including its early history wide variety of subject matter and social implications In recent decades reality television shows ranging from Keeping up with the Kardashians to Duck Dynasty have become increasingly popular Why are these unscripted programs irresistible to millions of viewers And what does the nearly universal success of reality shows say about American culture This book covers more than 100 major and influential reality programs past and present discussing the origins and past of reality programming the contemporary social and economic conditions that led to the rise of reality shows and the ways in which the most successful shows achieve popularity with both male and female demographics or appeal to specific targeted niche audiences The text addresses reality TV within five easy to identify content categories competition shows relationship love interest shows real people or alternative lifestyle and culture shows transformation shows and international programming By examining modern reality television a topic of great interest for a wide variety of readers this book also discusses cultural and social norms in the United States including materialism unrealistic beauty ideals gender roles and stereotypes in society dynamics of personal relationships teenage lifestyles and issues and the branding of people for financial gain and wider viewership

Realist Poetics in American Culture, 1866-1900 Elizabeth Renker, 2018-05-25 The terms poetry and realism have a complex and often oppositional relationship in American literary histories of the postbellum period The core narrative holds that realism the major literary movement of the era developed apace in prose fiction while poetry stuck in a hopelessly idealist late Romantic mode languished and stagnated Poetry is almost entirely absent from scholarship on American literary realism except as the emblem of realism's opposite a desiccated genteel twilight of the poets Realist Poetics in American Culture 1866-1900 refutes the familiar narrative of postbellum poetics as a scene of failure and it recovers the active and variegated practices of a diverse array of realist poets across print culture The triumph of the twilight tale in the twentieth century obscured minimized and flattened the many poetic discourses of the age including but not limited to a significant body of realist poems currently missing from US literary histories Excavating an extensive archive of realist poems the volume offers a significant revision to the genre exclusive story of realism and by extension to the very foundations of postbellum American literary history dating back to the earliest stages of the discipline

Spanish America: Its Romance, Reality and Future C. Reginald Enock, 2021-01-23 The aim of this work is twofold to afford a broad survey of the Latin American countries with the color and interest which so strongly characterizes this half of the New World and to offer in some degree a detailed study of the region as concerns what the author has ventured to term a science of humanity or science of corporate life whose main factors are topographical occupational or industrial and ethical or ethical economic
