A Season in Hell Arthur Rimbaud,2004-03-29 Arthur Rimbaud wrote a few pieces that set French poetry aghast around 1873 He d taken to wandering Europe in lieu of university His teachers hated him There was a sort of subtle but perverse defiance to his work He would create new words to describe the world around him and produced pages of rhyming Latin verse in his mathematics class while taking notes For a time he produced Latin homework for his fellow students and appeared for a time to raise the general standard He criticized every popular structural form and his writings provided a new basis for creative literature in Europe At the age of 21 Rimbaud renounced writing to explore distant countries In 12 years he passed through almost 28 countries and amassed a small fortune in gold before complications from a gangrenous leg injury led to his untimely death He became the first European to travel through northern Ethiopia Confronted in North Africa by an employer who told him his adolescent prose was not only alive in Europe but launching a career of its own is quoted as one histrionic outburst His former employer Alfred Barley wrote Rimbaud would never allow me to mention his former literary works Sometimes I asked him why he didn t take it up again All I ever got were the usual replies Absurd ridiculous disgusting etc

A Season in Hell, the Drunken Boat, and Other Poems Arthur Rimbaud,2014-01-01 Arthur Rimbaud s A Season in Hell is a prose poem loosely divided into nine parts In one part of the poem the poet portrays quite transparently his own relationship with French

symbolist poet Paul Verlaine The two had a brief alcohol and drug fueled affair which finally came to end when Verlaine shot Rimbaud in the wrist in a drunken rage A Season in Hell which has been referred to as a pioneering example of modern symbolism is included in this collection along with The Drunken Boat a fragmented first person narrative which vividly describes the drifting and sinking of a boat lost at sea It is probably the best known work from the representative selection of early poems by the writer presented here in this volume Also included in this edition is a selection of poems from Rimbaud s masterpiece Illuminations What is most remarkable about Rimbaud s poetry is that it was produced almost entirely between the ages of seventeen and twenty when Rimbaud would abruptly give up writing entirely in favor of a more steady working life His writing he contended was a product of his reckless lifestyle to which he was resolved to abandon **More Books** Boston Public Library,1930 Issues consist of lists of new books added to the library also articles about aspects of printing and publishing history and about exhibitions held in the library and important acquisitions Oxford Treasury of Sayings and Quotations Susan Ratcliffe,2011-10-13 Contains quotations proverbs and phrases from throughout history and around the world grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth Includes a list of themes and a keyword index *Branch Library Book News ...* New York Public Library,1930 Magill's Bibliography of Literary Criticism: Longus to Sexton Stephen L.
