six months to a year tops when in fact grief can last throughout a person's entire life and manifest as serious mental health issues including depression, anxiety, anger, and despair. *The Long Grief Journey* co-written by a psychotherapist and a clinical psychologist who have both worked with grieving individuals for decades is for the people who are past the acute pain and effects of a sudden loss and are now learning to live beyond that. It is for those who by all appearances seem to have moved on. They're working, carrying out their responsibilities, showing up for important life events, yet they quietly bear the weight of their sadness and longing for their loved one. There's a name for this type of long-term unresolved grief. In fact, there are several complicated griefs: traumatic grief, complex bereavement, prolonged grief, extended grief, abnormal grief, exaggerated grief, and pervasive grief disorder. If you feel stuck after experiencing the death of a loved one, even if much time has passed, this book is for you. With exercises, journal prompts, and rituals that will further help readers along their grief path, *The Long Grief Journey* co-written by one of the authors of the classic grief book *I Wasn't Ready to Say Goodbye* is designed to educate, support, and coach you to rekindle a desire to live life fully all while still cherishing and embracing the memories of your loved one. Named one of *Choosing Therapy's* 14 Best Books on Losing a Parent for 2022. [\*A Curious Journey Beyond Sunny Meadows\* Emily Claire, 2025-06-17](#) *A Curious Journey Beyond Sunny Meadows* follows the adventures of a brave young girl named Natalie and her best friend Sam as they embark on a life-changing journey beyond their peaceful village. Guided by the whispers of the wind, they explore magical places, meet mysterious creatures, and face challenges that test their values. Throughout their adventure, they learn important lessons about friendship, kindness, courage, trust, and resilience. Each chapter takes them one step closer to discovering that the true treasures of life are the virtues that shape us as individuals. This heartwarming tale is perfect for children ages 5-12, teaching timeless values in a fun and engaging way. The vibrant illustrations and captivating storytelling will inspire young readers to embrace curiosity, compassion, and the beauty of self-discovery.

***Even the Trembling Walks: 100 Poems of Faith in Motion* Kehinde Ojo, 2025-09-23** *Even the Trembling Walks: 100 Poems of Faith in Motion* by Kehinde Ojo. When fear shakes the soul, faith begins to move. In this powerful and tender collection, Kehinde Ojo invites readers into a journey of faith, courage, and quiet transformation. These 100 poems speak to anyone who has ever prayed through doubt, faced storms with trembling hands, or searched for peace in uncertain times. Drawing on imagery of storms and still waters, valleys and summits, rivers and light, Ojo writes with a voice that is both deeply human and spiritually awake. His verses remind us that faith is not the absence of fear; it's the decision to walk forward while afraid. Each poem feels like a whispered prayer, a reflection at the edge of surrender, a companion for the long road back to hope. Whether you read one page or an entire section, you'll find language that steadies the heart and renews belief in small beginnings. Perfect for readers of Mary Oliver, Rumi, Rainer Maria Rilke, and Kahlil Gibran, this collection is a modern devotional for those seeking light in dark seasons. Themes include: Courage in uncertainty, Healing and renewal through faith, The beauty of silence and surrender, Finding peace through life's valleys and storms, Spiritual growth and hope.
