## **American Politics How It Really Works:**

How Your Government Really Works Glenn L. Starks, F. Erik Brooks, 2008-10-30 The U S government is an ever more complex system that few American citizens comprehend in any detail Even some of its most basic operations seemingly clear in concept are in reality intricate and obscure Although textbooks explain how the government is supposed to work in theory they don t reveal how it actually works in practice This book offers a concise and objective explanation of government operations mapping the federal government s branches departments agencies corporations and quasi official bodies and the bureaucracies that support them The authors effectively bridge the gap between the government s ideal balanced structure laid out in the Constitution and its actual institutionalized form today making this a superb resource for students and citizens at large Coverage of the government s inner workings includes such subjects as executive branch appointments domestic and foreign policy development and execution the federal budget the legislative process the Congressional committee system the drawing of Congressional districts the levels of the federal judiciary aides in all three branches and the various government offices and oversight agencies

*Mass Media and American Politics* Doris A. Graber, Johanna Dunaway, 2017-08-08 Mass Media and American Politics is the most comprehensive and best book for political communication This text has made it easy for my students to learn about research and theory related to political journalism and the political communication system in America It has great utility and insight while being comprehensive but not overwhelming for students Jason Martin DePaul University Known for its readable introduction to the literature and theory of the field Mass Media and American Politics is a trusted comprehensive look at media s impact on attitudes behavior elections politics and policymaking This Tenth Edition is thoroughly updated to reflect major structural changes that have shaken the world of political news and examines the impact of the changing media landscape It includes timely examples from the 2016 election cycle to illustrate the significance of these changes This classic text balances comprehensive coverage and cutting edge theory shows students how the media influence governmental institutions and the communication strategies of political elites and illustrates how the government shapes the way the media disseminate information Written by Doris A Graber a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics and Johanna Dunaway this book sets the standard
