American Radicalism, 1865-1901 Chester McArthur Destler,1963 **American Radicalism, 1865-1901** Chester McArthur Destler,1972 **American Radicalism, 1865-1901, Essays and Documents** Chester M. Destler,1993-03-01 Bonded Leather binding [American Radicalism, 1865-1901, Essays and Documents by Chester McArthur Destler](#) Chester McArthur Destler,1946 *History's Memory* Ellen Fitzpatrick,2004-10-25 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on today s heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past *The People's Money* Adrian Kuzminski,2023-12-06 The People s Money The Case for Public Banking in the United States offers a broad account and analysis of the most radical policy proposal of the populist movement a new monetary currency issued by a public banking system Nineteenth century American populists proposed a radical theory of sovereign money creation through public banking Money would be issued as loans based on collateral to individuals at local public banks much as it is created by private banks in the existing banking system Public banking however would operate as a non profit community service Usurious rates would be replaced by 1% fixed interest corresponding to the natural rate of resource depreciation over a lifetime The populist idea of a natural rate of interest represents an intriguing confluence of ecological and monetary thinking The populists argued that democracy requires economic security that only property ownership can provide In shifting the benefits of credit from lenders to borrowers they aimed to promote widespread ownership of property They opposed all monopolies of property especially those of private finance Unlike socialists who favored collective control over production populists sought to reform capitalism by widely distributing credit among individuals With exorbitant rates of interest eliminated borrowers would be freed of the servitude to creditors demanded by excessive interest rates They would retain perhaps for the first time in history the full benefit of their loans for themselves and their families [Edward Stevens: Gastric Physiologist, Physician and American Statesman](#) O. Gene Clanton,1969 [Radicals and Visionaries: A History of Dissent in New Jersey](#) Morris Schonbach,1964 **Talkin' Socialism** Elliott Shore,1988 In this history of radical publishing at the turn of the century Elliott Shore focuses on the Appeal to Reason the flagship newspaper of J A Wayland s publishing empire As modern periodical publishing came of age with the appearance of the first mass circulation newspapers and magazines so too did both populism and socialism in the US They drew strength from the same factors the advance of technology spreading industrialisation the growth and concentration of urban populations and rising literacy rates [Prairie Populism](#) Jeffrey Ostler,1993 Ostler shows that economic conditions alone cannot explain why populism flourished or foundered Through a study of populism in Kansas Nebraska and Iowa Ostler demonstrates that the strength or weakness of the two dominant political parties within a state had a significant effect on the success of a third party challenge *History of U.S. Political Parties: 1860-1910 : the gilded*

age of politics, 2002 Kansas Populism O. Gene Clanton, 1969 Because Kansas has been called the leading Midwestern Populist state and the Midwestern phrase was the principle one of this significant movement in American history this first comprehensive history of the Kansas People's party its leaders and their thoughts and actions is an important addition to Populist historiography Through this study of the leadership as well as a complete and personal background analysis of the Populist and Republican members of five Kansas legislatures the author helps to place Populism within its proper historical context Although Kansas Populism is shown to have had a retrogressive strain the pervasive force of the movement is revealed as a constructive and progressive response to the technological achievements that had revolutionized agriculture and industry over the course of the nineteenth century Their answers were not always commendable but the Populists were the first political activists to come to grips in an effective manner with the problems created by the continuing economic revolution that uniquely characterizes modern history and they were intent on demonstrating apparently that the purification of politics was not an iridescent dream In the dialogue which they conducted in the program which they advance they assisted in launching a progressive quest that continues in our own time Undertaken with the objective of testing recent controversial interpretations of the Populist movement this book according to one reader far surpasses studies of Populism in other states done long ago and innocent of modern methods It contains passages almost epigrammatic in their perceptiveness and is notable for the author's fairness in dealing with the evidence In fact the breadth of research and the extensive annotation and bibliographical material included make this volume an important source in itself *Labor and Urban Politics* Richard Schneirov, 1998 This finely detailed narrative is the definitive account of the rise to power of the Chicago labor movement amidst the 1877 railroad strike the 1886 struggle over the eight hour workday and the 1894 Pullman strike Hinging on a major reinterpretation of the Haymarket era *Labor and Urban Politics* argues for labor's profound influence on the shaping of urban politics and the transformation of liberalism in late nineteenth century America After this book no one will have any excuse to write about late nineteenth century politics in Chicago or any other city solely on the basis of the actions and interests of elites Schneirov argues for the importance of the working class in municipal politics on a level that surpasses anything else in the literature David Montgomery *The most thorough deepest re-reading of Gilded Age reality that has yet emerged from labor historians Gives an unparalleled understanding of the world of contemporary labor* Leon Fink author of *In Search of the Working Class Essays in American Labor History and Political Culture* A volume in the series *The Working Class in American History* edited by David Brody Alice Kessler Harris David Montgomery and Sean Wilentz *U.S. Reference-iana, 1481-1899*, 1989 Widener Library Shelflist: American history Harvard University. humans izle dizibox - Apr 01 2022

web kurgu mantığının çok ötesinde olan dizi ikinci sezonu göremeyeceğe benziyor diziyi yapay zeka filmince uyarladıkları belli
fakat bilim kurgu ve poliseye tarzı dizi izlemek isteyenler tavsiye edebilirim tipik bir ingiliz dizisi yani amerikan filmlerine
uyarlanmış ya da uyarlanmaya çalışılmış hali dizi konu olarak gayet
