American Religion Literary Sources And Documents:

American Religion David Turley,1998 **American Religion: Literary Sources and Documents** David Turley,2020-12-17 This set offers a wide range of primary source material spanning several centuries of religious experience in the United States The material is grouped thematically and chronologically with a critical apparatus which includes a substantial introductory essay giving an overview of the subject a chronology and bibliographies American religion : literary sources & documents. 3. Modern American religion since the late nineteenth century David Turley,1998

American religion : literary sources & documents. 2. Religion in the new nation : revolution to reconstruction David Turley,1998 **American Religion** ,1998 *America's Religions* Peter W. Williams,2008 A panoramic introduction to religion in America newly revised and updated *American Religion* ,1998 **African Americans and the Bible** Vincent L. Wimbush,2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

Church History James E. Bradley, Richard A. Muller,2016-03-22 In their acclaimed much used Church History James Bradley and Richard Muller lay out guidelines methods and basic reference tools for research and writing in the fields of church history and historical theology Over the years this book has helped countless students define their topics locate relevant source materials and write quality papers This revised expanded and updated second edition includes discussion of Internet based research digitized texts and the electronic forms of research tools The greatly enlarged bibliography of study aids now includes many significant new resources that have become available since the first edition's publication in 1995 Accessible and clear this introduction will continue to benefit both students and experienced scholars in the field *The Journal of Ecclesiastical History* Clifford William Dugmore,1999 American Religion ,1998 **Journal of American**
