

American Supreme Court

CL Gary

American Supreme Court:

The American Supreme Court Robert G. McCloskey, 2010-07-15 Celebrating its fiftieth anniversary Robert McCloskey's classic work on the Supreme Court's role in constructing the U.S. Constitution has introduced generations of students to the workings of our nation's highest court For this new fifth edition Sanford Levinson extends McCloskey's magisterial treatment to address the Court's most recent decisions As in prior editions McCloskey's original text remains unchanged In his historical interpretation he argues that the strength of the Court has always been its sensitivity to the changing political scene as well as its reluctance to stray too far from the main currents of public sentiments In two revised chapters Levinson shows how McCloskey's approach continues to illuminate developments since 2005 including the Court's decisions in cases arising out of the War on Terror which range from issues of civil liberty to tests of executive power He also discusses the Court's skepticism regarding campaign finance regulation its affirmation of the right to bear arms and the increasingly important nomination and confirmation process of Supreme Court justices including that of the first Hispanic justice Sonia Sotomayor The best and most concise account of the Supreme Court and its place in American politics McCloskey's wonderfully readable book is an essential guide to the past present and future prospects of this institution [The Supreme Court in the American Legal System](#) Jeffrey A. Segal, Harold J. Spaeth, Sara C. Benesh, 2005-08 This book examines the American legal system including a comprehensive treatment of the U.S. Supreme Court Despite this treatment the in from the title deserves emphasis for it extensively examines lower courts providing separate chapters on state courts the US District Courts and the US Courts of Appeals The book analyzes these courts from a legal extralegal framework drawing different conclusions about the relative influence of each based on institutional structures and empirical evidence The book is also tied together through its attention to the relationship between lower courts and the Supreme Court Additionally Election 2000 litigation provides a common substantive topic linking many of the chapters Finally it provides extended coverage to the legal process with separate chapters on civil procedure evidence and criminal procedure [The U.S. Supreme Court](#) Linda Greenhouse, 2020 For thirty years Linda Greenhouse the Pulitzer Prize winning author of *The U.S. Supreme Court: A Very Short Introduction* chronicled the activities of the justices as the Supreme Court correspondent for the New York Times In this concise volume she draws on her deep knowledge of the court's history as well as of its written and unwritten rules to show the reader how the Supreme Court really works **The American Supreme Court** Robert Green McCloskey, Sanford Levinson, 2005 Previous editions published 2000 3rd and 1960 1st *American Indian Sovereignty and the U.S. Supreme Court* David E. Wilkins, 1997 Like the miner's canary the Indian marks the shift from fresh air to poison gas in our political atmosphere and our treatment of Indians even more than our treatment of other minorities reflects the rise and fall in our democratic faith wrote Felix S. Cohen an early expert in Indian legal affairs In this book David Wilkins charts the fall in our democratic faith through fifteen landmark cases in which the Supreme Court significantly curtailed Indian rights He offers

compelling evidence that Supreme Court justices selectively used precedents and facts both historical and contemporary to arrive at decisions that have undermined tribal sovereignty legitimated massive tribal land losses sanctioned the diminishment of Indian religious rights and curtailed other rights as well These case studies and their implications for all minority groups make important and troubling reading at a time when the Supreme Court is at the vortex of political and moral developments that are redefining the nature of American government transforming the relationship between the legal and political branches and altering the very meaning of federalism

Historical Dictionary of the U.S. Supreme Court Artemus Ward, Christopher Brough, Robert Arnold, 2015-08-13 The US Supreme Court is an institution that operates almost totally behind closed doors This book opens those doors by providing a comprehensive look at the justices procedures cases and issues over the institution s more than 200 year history The Court is a legal institution born from a highly politicized process Modern justices time their departures to coincide with favorable administrations and the confirmation process has become a highly charged political spectacle played out on television and in the national press Throughout its history the Court has been at the center of the most important issues facing the nation federalism separation of powers war slavery civil rights and civil liberties Through it all the Court has generally though not always reflected the broad views of the American people as the justices decide the most vexing issues of the day The Historical Dictionary of the U S Supreme Court covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on every justice major case issue and process that comprises the Court s work This book is an excellent access point for students researchers and anyone wanting to know more about the Supreme Court

The Supreme Court in American Politics I. Unah, 2016-01-03 The Supreme Court s involvement in many hot political and personal conflicts makes crucial an understanding of its internal workings and evolution This book gives students a firm historical and institutional base upon which to evaluate contemporary Supreme Court decisions and the impact of those decisions on the lives of ordinary citizens

The Encyclopedia of United States Supreme Court Reports Thomas Johnson Michie, Beirne Stedman, Charles W. Sublett, 1909

The Supreme Court Peter Charles Hoffer, William James Hoffer, N. E. H. Hull, 2007 For more than two centuries the U S Supreme Court has provided a battleground for nearly every controversial issue in our nations history This veteran team of talented historians produces the most readable astute and up to date single volume history of this venerated institution

The Oxford Handbook of Church and State in the United States Derek H. Davis, 2010-10-19 Study of church and state in the United States is incredibly complex Scholars working in this area have backgrounds in law religious studies history theology and politics among other fields Historically they have focused on particular angles or dimensions of the church state relationship because the field is so vast The results have mostly been monographs that focus only on narrow cross sections of the field and the few works that do aim to give larger perspectives are reference works of factual compendia which offer little or no analysis The Oxford Handbook of Church and State in the

United States fills this gap presenting an extensive multidimensional overview of the field Twenty one essays offer a scholarly look at the intricacies and past and current debates that frame the American system of church and state within five main areas history law theology philosophy politics and sociology These essays provide factual accounts but also address issues problems debates controversies and where appropriate suggest resolutions They also offer analysis of the range of interpretations of the subject offered by various American scholars This Handbook is an invaluable resource for the study of church state relations in the United States

The Priestly Tribe Barbara Perry,1999-07-30 Perry illuminates the Supreme Court s unique advantages in sustaining a noble public image by its stewardship of the revered Constitution its constant embrace of the rule of law the justices life tenure its symbols of impartiality and integrity and a resolute determination to keep its distance from the media She argues that the Court has bolstered these advantages to avoid traps that have marred Congressional and presidential images and she demonstrates how the Court has escaped the worst of media coverage In this detailed examination of the Court its justices decisions facilities and programs as well as its place in modern American culture Perry illustrates that the Court has consciously endeavored to preserve its exalted standing *The Priestly Tribe* provides an original and insightful analysis of this intriguing judicial institution for students and scholars of the Court and the general public

American Federationist ,1928 *The American Year Book* ,1916 *How Many Judges Does it Take to Make a Supreme Court?* John V. Orth,2006 Through six accessible essays the author invites students of the law to look beyond accepted American legal practices One learns why appellate courts always have an odd number of judges why the power of judges depends partly on accurate court reporting and unitary opinions of the court how common law rules can be unconstitutional and many other pressing legal issues

[US Supreme Court Doctrine in the State High Courts](#) Michael P. Fix,Benjamin J. Kassow,2020-08-20 Presenting a new theoretical perspective Fix and Kassow show how law and politics shape state high court use of Supreme Court precedent This book approaches this complex topic in an accessible way that will appeal to anyone interested in law and politics or traditional approaches to legal decision making

The Role Of The Supreme Court In American Politics Richard Pacelle,2001-10-18 Concern for the appropriate role of the Supreme Court as a policy maker has been one of the most enduring questions of American politics Richard Pacelle traces the historical ebb and flow of the Court s role in the critical issues of American politics slavery free speech religion abortion and affirmative action

[The Role of the Supreme Court in American Government](#) Archibald Cox,1976 Consists of the four Chichele lectures delivered at Oxford University under the auspices of All Souls College early in 1975 Pref

The American Labor Year Book ,1916 [The American and English Railroad Cases](#) Lawrence Lewis (Jr.),Adelbert Hamilton,John Houston Merrill,William Mark McKinney,James Manford Kerr,John Crawford Thomson,1890 *American Bankruptcy Reports* ,1925
