Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted
from over 2 000 journals published worldwide **A Divided People** Kenneth Schuyler Lynn,1977-04-21 The Revolution was
a struggle in which as one contemporary put it Nighbour was against Nighbour What decided one American in favor of
independence while another remained faithful to the Crown Historians now realize that traditional economic social and
political explanations provide only a partial answer In *A Divided People* Kenneth S Lynn introduces a provocative theory the
family backgrounds of patriots and Tories may have been a critical determinant of their loyalties Lynn provides sketches of
the early lives of thirty selected figures focusing on their parental relationships Among loyalists Benedict Arnold neglected by
an abusive alcoholic father grew into an eighteenth century juvenile delinquent a pathetic case of insecurity Governor
William Franklin of New Jersey the mediocre illegitimate son of Benjamin Franklin chose the English side to assert personal
independence from his illustrious but inattentive father Many of the rebels analyzed by Lynn John Adams John Marshall
Patrick Henry among others seem to have been close to their fathers The senior Adams was described by his son as the
honestest man I ever knew Even those who lost their fathers in childhood Washington and Jefferson are examples had strong
male figures to turn to in adolescence Washington felt a passionate devotion to his older half brother Jefferson's personal
qualities as well as his philosophies were shaped by a kindly and enlightened teacher Was the loyalists attachment to their
mother country the result of poor or nonexistent rapport with their fathers Did the generally strong father images held by the
patriots foster an adult self confidence that enabled them to challenge an empire Professor Lynn does not claim to answer
these questions But *A Divided People* is the first study of the American Revolution or of family history to ask them It will be
fascinating and controversial to students and scholars alike Publisher The Grants Register 2000 NA NA,1999-05-28 The
most authoritative and comprehensive guide available to postgraduate grants and professional funding worldwide For over

twenty years The Grants Register has been the leading source for up to date information on the availability of and eligibility for postgraduate and professional awards With details of over 3 000 awards The Grants Register is more extensive than any comparable publication Each entry has been verified by the awarding bodies concerned ensuring that every piece of information is accurate As an annual publication each edition also provides the most current details available today The Grants Register provides an ideal reference source for those who need accurate information on postgraduate funding careers advisors university libraries student organisations and public libraries

The Publishers' Trade List Annual ,1986 *The United States and the World* Andrzej Mania,Łukasz Wordliczek,2010-01-15 The conference The United States and the World from Imitation to Challenge was meant to gather those interested in various aspects of the mutual connections between the United States and the world It concentrated on the problem of the model of American democracy the presidential system American politics American society American culture and the world s reflections about them from imitation to challenge For this there was an invitation to scholars from many research fields political science philosophy law culture studies economy and sociology It was a result of our vision of American Studies as an interdisciplinary effort And so thanks to the rich and diverse approaches of the participants our vision turned out to be true The effect of the conference is reflected in the contributions that follow in this volume and in the rich interdisciplinary debate over the American impact on the world integration in Pax Americana and patterns of integration in other parts of the world different and or similar approaches to challenges to international order and last but not least the issue of continuity and change in politics Here one also needs to mention the ever present debate on the American export of values separation of church and state human rights the idea of sovereignty the rule of separation of powers modern federalism democratization approaches Americanism American Studies dilemmas American exceptionalism uniqueness in contemporary American society and patterns in foreign policy

Books in Print ,1994 □□□□ ,1991 **The Grants Register 2026** Palgrave Macmillan,2025-09-18 The Grants Register 2026 is the most authoritative and comprehensive guide available of postgraduate and professional funding worldwide It contains international coverage of grants in almost 60 countries both English and non English speaking information on subject areas level of study eligibility and value of awards and information on over 5 100 awards provided by over 1 300 awarding bodies Awarding bodies are arranged alphabetically with a full list of awards to allow for comprehensive reading The Register contains full contact details including telephone fax email and websites as well as details of application procedures and closing dates It is updated annually to ensure accurate information
