Americans Wake Up We Can Heal Our Country:

America: Our Sacred Honor Mary A. Kardes,2015-06-16 America is at a crossroads and the road we elect to travel will either restore the spirit of America or continue to weaken our country forever Ordinary American citizens must make fundamental decisions We have been warned and though the warnings have been muted by media sources and special interest groups they are growing louder Voices of genuine concern come from within the United States and from abroad We Americans must listen to and take seriously what we are being told We need to educate ourselves about American history real unbiased history We need to know the Constitution the very cornerstone of our nation and we need to hold our politicians and government leaders accountable Americans must once again stand united to defend our beloved country and our very way of life **Congressional Record** United States. Congress,1997 **Restoring Cultural Foundations: a Wake up Call to America** R. James Tasker,2011-02-25 America is in trouble Out of control spending Massive debt Political ineptness Constitutional indifference Corporate greed Union corruption Moral chaos Biblical faith under attack Militant Islam Fifth column foes within and powerful enemies without National weakness from top to bottom Our very survival is at stake Is there a way out or is it too late Our founding Fathers would be appalled but not surprised at the depth to which our once legitimately proud nation has plunged Understanding the biblical view of fallen human nature they built a cultural foundation based on Judeo Christian Law and values unknown in the world before or since But as brilliant as they were they could not win the battle to keep the foundation intact for posterity They charged each generation with that Restoring Cultural Foundations A Wake Up Call to America shows through a study of the Ten Commandments that a return to the Judeo Christian principles on which the Founders built our nation is imperative for an orderly society and lasting liberty Departing from Gods ways they believed courted certain disaster Written for families businesses and churches the author lays out ways our nation can return to our foundation and regain our lost dignity security and well being **The American Mercury** Henry Louis Mencken,1930 *A Call to Stand* Georgette Loschiavo,2009-10 Americans have been weathering this storm but a sequel is inevitable A nightmarish storm is hovering over Us right now and the dark clouds are threatening almost every aspect of Our lives In the wake of every crisis there comes a moment when a lightening bolt of truth hits The sting goes deep and anger arises when Our pretentious picture of Ourselves is disturbed but the pain of facing past mistakes will be worth it if it wakes Us up to remember Who We are We must learn what it takes to be good stewards of the legacy left to Us We are facing a tempestuous point in time but built into every storm is the chance to learn and grow We have to know Who We are and what is required to keep the dream alive Change must come but We must be the change The evolution of both democracy and Humankind requires education and cooperation Nothing more and nothing less The next step is a matter of choice Our choice It is time to learn from history and answer the call to take a stand Congressional Record Index, Volume 156, A-K, L-Z Congress, **Public Papers of the Presidents of the United States, Lyndon B.
