America's Highest Destiny

*The Causes of Nine-Eleven
and a Bold Vision of
America's Role in the World*

Roger L. Plunk

PREFACE

When the proverbial butterfly flutters the air on one side of the world, it is said to influence events on the other side. The fluttering butterfly is a common illustration of the interconnectedness of the world we live in. A butterfly's influence is too small to be of much concern. But when American foreign policy-makers flutter their wings, tidal waves of change can crash on the far shores of the world, and then echo back to the shores of America. Those changes are either for the better or for the worse.

The attack on America on September 11, 2001 was the result of failed American policy echoing back to American shores. America failed in Afghanistan because it did not counter the rise of the Taliban and al-Qaeda. America failed in Israel because it did not force a just peace settlement between Israel and the Palestinians. And America
