Americas Heart Soul:

American Paradise Jon Huer,2012-07-10 The way we live work and die alone and with other Americans have so many hidden layers that we might as well say that there are two Americas one we think we know and the other virtually unknown to us Such a thought is compelling enough to motivate a sociologist to start writing down what he thinks about the hidden America Then what emerges from this effort is a picture of America that is at once so familiar and so alien It is the alien part of America that troubles us that scares us and that pushes us to escape into louder more colorful and more pleasant unreality As our escapism becomes more urgent each day so does its testimony to the emptiness and loneliness of our solitary existence Huer discusses this alien part of America in American Paradise

Rebirth of a Nation Joel Edward Goza,2024-09-24 Joel Edward Goza dismantles the deep seated myths that perpetuate white supremacy and makes the case that reparations are necessary to heal America s racial wounds and live up to our democratic ideals Like many well intentioned white people Goza once believed that he could support Black America s struggle for equality without supporting reparations Reparations he thought were altogether irrelevant to the real work of racial justice This is a book about why he was wrong In fact any effort to heal our nation s wounds will fail without reparations In Rebirth of a Nation Goza exposes lesser known aspects of racism in American history and how Black people have consistently been depicted as responsible for their own oppression to justify slavery Jim Crow mass incarceration and gross inequality Goza s iconoclastic and incisive account exposes how revered figures like Thomas Jefferson and Abraham Lincoln embedded white supremacy deep into our nation s consciousness and how Ronald Reagan manipulated this ideology so that society cheered as he advanced a set of policies that wounded our nation and intensified Black America s suffering But Rebirth of a Nation is not merely about

accountability It is also about hope A reparations process is not a utopian dream Goza offers a practical path toward closing the racial wealth gap Rebirth of a Nation shows readers how they can join the reparative process working toward the creation of a more perfect union Foreword Reviews INDIES Book of the Year Award in Religion Finalist 2024 The International Stereotypers and Electrotypers Union Journal ,1916 Inter-America ,1919 Association Men ,1920
