*America's Restless Ghosts* Hans Holzer, 1993 Discusses spirit photography and presents a number of photographs taken in the presence of mediums that show unexplained phenomena with information on the circumstances in which they were taken

**Hauntings and Poltergeists** James Houran, Rense Lange, 2015-08-13 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world's most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists

**The Perfect Medium** Clément Chéroux, Andreas Fischer, Pierre Apraxine, Denis Canguilhem, Sophie Schmit, 2005-01-01 In the early days of photography many believed and hoped that the camera would prove more efficient than the human eye in capturing the unseen Spiritualists and animists of the nineteenth century seized on the new technology as a method of substantiating the existence of supernatural beings and happenings This fascinating book assembles more than 250 photographic images from the Victorian era to the 1960s each purporting to document an occult phenomenon levitations apparitions transfigurations ectoplasms spectres ghosts and auras Drawn from the archives of European and American occult societies and private and public collections the photographs in many cases have never before been published The Perfect Medium studies these rare and remarkable photographs through cultural historical and artistic lenses More than mere curiosities the images on film are important records of the cultural forces and technical methods that brought about their production They document in unexpected ways a period when developing photographic technology merged with a popular obsession with the occult to create a new genre of haunting experimental photographs

*Ghosts and Poltergeists* Terry O'Neill, 2002-10 Objects mysteriously fly around a room Lights appear in the windows of an abandoned house A woman is visited by the spirit of her deceased husband what can explain occurrences like these The articles in this anthology explore the nature of ghosts and poltergeists and possible earthly explanations for them

Latin American Gothic in Literature and Culture Sandra Casanova-Vizcaíno, Inés Ordiz, 2017-10-24 This book explores the Gothic mode as it appears in the literature visual arts and culture of different areas of Latin America Focusing on works from authors in Mexico Central America the Caribbean the Andes Brazil and the Southern Cone the essays in this volume illuminate the existence of native representations of the Gothic while also exploring the presence of universal archetypes of terror and horror Through the analysis of global and local Gothic topics and themes they evaluate the reality of a multifaceted territory marked by a shifting colonial and postcolonial relationship with Europe and the United States The book asks questions such as Is there such a thing as Latin American Gothic in the same sense that there is an American Gothic and British Gothic What are the main elements that particularly characterize Latin American Gothic How does Latin American Gothic function in the context of globalization What do these elements represent in relation to specific national literatures What is the relationship between the Gothic and the Postcolonial What can Gothic criticism bring to the study of Latin

American cultural manifestations and conversely what can these offer the Gothic The analysis performed here reflects a body of criticism that understands the Gothic as a global phenomenon with specific manifestations in particular territories while also acknowledging the effects of Globalgothic on a transnational and transcultural level Thus the volume seeks to open new spaces and areas of scholarly research and academic discussion both regionally and globally with the presentation of a solid analysis of Latin American texts and other cultural phenomena which are manifestly related to the Gothic world
