Chapter,2019-01-12 Every weekday morning working people leave the comfort of their homes to head to work Some of them live so close to their places of employment they re able to walk Others commute on trains in cars and even on bicycles Many of these people dream of working from home They reflect on the joys of awakening and walking with their coffee from the kitchen to their home office even if it s the kitchen table They sigh ruefully not believing that the work from home dream could be theirs if only they were to think a little outside the box I m writing this brief book to let you know that the work from

So come along with me to discover how you can live the dream of working from home, making as much as 10,000 per month.
