Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee's rich and colorful past A sequel to Sam B Smith's invaluable 1973 work Tennessee History A Bibliography this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state's history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women's history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South **Flashes of a Southern Spirit** Charles Reagan Wilson, 2011-05 Flashes of a Southern Spirit explores meanings of the spirit in the American South including religious ecstasy and celebrations of regional character and distinctiveness Charles Reagan Wilson sees ideas of the spirit as central to understanding southern identity The South nurtured a patriotic spirit expressed in the high emotions of Confederates going off to war but the region also was the setting for a spiritual outpouring of prayer and song during the civil rights movement Arguing for a spiritual grounding to southern identity Wilson shows how identifications of the spirit are

crucial to understanding what makes southerners invest so much meaning in their regional identity From the late nineteenth century invention of southern tradition to early twenty first century folk artistic creativity Wilson examines a wide range of cultural expression including music literature folk art media representations and religious imagery He finds new meanings in the works of such creative giants as William Faulkner Richard Wright and Elvis Presley while at the same time closely examining little studied figures such as the artist revivalist McKendree Long Wilson proposes that southern spirituality is a neglected category of analysis in the recent flourishing of interdisciplinary studies on the South one that opens up the cultural interaction of blacks and whites in the region

Top* Colin Larkin,1995 *THE OCTOPUS-A STORY OF CALIFORNIA* Frank Norris, *THE OCTOPUS A Story of California* by Frank Norris Book 1 CHAPTER I Just after passing Caraher s saloon on the County Road that ran south from Bonneville and that divided the Broderson ranch from that of Los Muertos Presley was suddenly aware of the faint and prolonged blowing of a steam whistle that he knew must come from the railroad shops near the depot at Bonneville In starting out from the ranch house that morning he had forgotten his watch and was now perplexed to know whether the whistle was blowing for twelve or for one o clock He hoped the former Early that morning he had decided to make a long excursion through the neighbouring country partly on foot and partly on his bicycle and now noon was come already and as yet he had hardly started As he was leaving the house after breakfast Mrs Derrick had asked him to go for the mail at Bonneville and he had not been able to refuse He took a firmer hold of the cork grips of his handlebars the road being in a wretched condition after the recent hauling of the crop and quickened his pace He told himself that no matter what the time was he would not stop for luncheon at the ranch house but would push on to Guadalajara and have a Spanish dinner at Solotari s as he had originally planned There had not been much of a crop to haul that year Half of the wheat on the Broderson ranch had failed entirely and Derrick himself had hardly raised more than enough to supply seed for the winter s sowing But such little hauling as there had been had reduced the roads thereabouts to a lamentable condition and during the dry season of the past few months the layer of dust had deepened and thickened to such an extent that more than once Presley was obliged to dismount and trudge along on foot pushing his bicycle in front of him It was the last half of September the very end of the dry season and all Tulare County all the vast reaches of the San Joaquin Valley in fact all South Central California was bone dry parched and baked and crisped after four months of cloudless weather when the day seemed always at noon and the sun blazed white hot over the valley from the Coast Range in the west to the foothills of the Sierras in the east As Presley drew near to the point where what was known as the Lower Road struck off through the Rancho de Los Muertos leading on to Guadalajara he came upon one of the county watering tanks a great iron hooped tower of wood straddling clumsily on its four uprights by the roadside Since the day of its completion the storekeepers and retailers of Bonneville had painted their advertisements upon it It was a landmark In that reach of level fields the white letters upon it could be read for miles A watering trough stood near by and as he was very thirsty Presley resolved to stop for a moment to get a drink [The Encyclopedia of Popular Music: Selected Albums.
