A Search for Common Ground Frederick M. Hess, Pedro A. Noguera, 2021 At a time of bitter national polarization there is a critical need for leaders who can help us better communicate with one another In A Search for Common Ground Rick Hess and Pedro Noguera who have often fallen on opposing sides of the ideological aisle over the past couple of decades candidly talk through their differences on some of the toughest issues in K 12 education today from school choice to testing to diversity to privatization They offer a sharp honest debate that digs deep into their disagreements enabling them to find a surprising amount of common ground along the way Written as a series of back and forth exchanges this engaging book illustrates a model of responsible civil debate between those with substantial principled differences It is also a powerful meditation on where 21st century school improvement can and should go next

Book Features Modeling dialogue Rick and Pedro provide a model for how to sort through complicated issues and find common ground in today's atmosphere of distrust Deliberate sustained exchange Rick and Pedro demonstrate how deliberate sustained reflection allows them to respectfully flesh out differences and sharpen their own thoughts

Left and Right Politics Rick generally Right and Pedro generally Left offer a window into where they do and don't agree on education and point the way to principled cooperation

economic justice he was one of the first and most insistent mid twentieth century proponents of racial integration At the same time he was a key figure in the emergence of mysticism and spirituality as an alternative to formal religion Thurman dedicated his career to challenging what he called the hounds of hell the ways in which fear deception and hatred so often dogged the steps of African Americans and the marginalized and disinherited peoples of the world This biography will at last establish this multifaceted historical personage as a leading figure of twentieth century American politics religion and culture
