A Second Helping:

A Second Helping Tom Schaudel, 2022-07-13 *A Second Helping Whining and Dining on Long Island* picks up where Tom Schaudel's first book *Playing With Fire* left off as a playful romp through the crazy world of restaurants dining rooms and professional kitchens Filled with short stories of neurotic customers stressed out servers crazed cooks and the undeniably unhinged his unique and humorous observations will have you wondering how the expression *The customer is always right* ever came to be Looking back through a fifty year restaurant career Tom has assembled a cast of characters that would be the envy of fiction writers everywhere In this book you will meet an f bombing octogenarian a D level celebrity asking for separate checks at her wedding an aspiring counterfeiter with a seriously flawed gift certificate the nine year old antichrist and a woman who flushed a six carat diamond ring down a toilet bowl This latest collection is guaranteed to make you stay up late and laugh out loud and is a must read for anyone who has ever eaten in a restaurant worked in a restaurant asked to use the restroom in a restaurant or God forbid dreamed of owning a restaurant

A Second Helping of Gumbo for the Soul Michelle Frazier Trotman Scott, Nicole McZeal Walters, Jemimah L. Young, Donna Y. Ford, 2020-04-16 *A Second Helping of Gumbo for the Soul* is a collection of essays stories and narratives designed to inspire and empower women of color through the use of storytelling and narratives This second edition is a sequel to the first *Gumbo for the Soul* [Fat No More, Release the Subconscious Blocks that Prevent your Weight Loss](#) Marylin Stompler, 2007

Losing weight is not just about dieting or exercising as proved by the countless number of failed diets and exercise programs First you need to identify and let go of the many mental emotional subconscious and spiritual blocks also called M E S S blocks that prevent you from losing weight These blocks are the limiting beliefs thoughts or fears that prevent your weight loss *Negative Actions* Jonathan D. Payton, 2021-02-25

Negative actions intentional omissions refrainments etc seem to be genuine actions The standard metaphysical theories of action are event based they treat actions as events of a special kind But it seems that many and perhaps all negative actions are not events but absences thereof In this book I provide a comprehensive treatment of this problem and its solution I trace the appearance that negative actions are mere absences to the widely assumed view that negative action sentences sentences which describe an agent as omitting refraining etc are negative existentials reporting the non occurrence of an event of a certain kind I argue on the contrary that such sentences report the occurrence of an event not the absence of one Moreover I show how these events can be identified with ordinary positive events of the sort we should already have in our ontology In developing these views I provide a comprehensive picture of the metaphysics of negative actions the nature of our thought and talk about them and their place in a theory of action and agency
