A Politically Correct Murder:

The Lonely Detective Solves Murder at Snow White and Ten Additional Exciting Hilarious Mysteries Charles E. Schwarz, 2003-12 A collection of eleven outrageously nasty politically incorrect uniquely humorous mysteries This new collection runs the gambit from murder among material lawyers a mailman who burglar a cop parody little league greedy lawyers to reality TV exposed These mysteries will puzzle and amuse the reader Murder in a Hot Flash Marlys Millhiser, 2015-05-05 Reluctant psychic Charlie Greene is called on to solve the case when a horror film director gets the ax and Charlie s mother is the prime suspect Between doing lunches making deals and being a full time single mom Hollywood literary agent and part time psychic Charlie Greene doesn t have time to solve crimes But when the number one suspect in the murder of schlock horror director Gordon Cabot is her menopausal mother Charlie suddenly finds herself a major player in a real life movie more shocking than any screenwriter could have dreamed up Cabot s callous disregard for the teeming plant life and critters serving as extras in his overbudget new film has made him plenty of enemies including Charlie s mother a biology professor specializing in rodents of the high desert plateau In spite of their volatile relationship Charlie s certain that her mother s hot flashes have nothing to do with the corpse chilling out in this remote stretch of Utah desert and to clear her mom s name Charlie teams up with swoonworthy superstar environmentalist Mitch Hilsten Amid warring film crews wild cliff glides and fears that Charlie s agency is going under she and Mitch race to catch a cunning killer of the lethal two legged variety in this electrifying novel *Futurizing the Jews* Tsvi (Howard) Bisk, Moshe Dror, 2003-11-30 Bisk and Dror assert that the 21st Century can be the Jewish Century that no other people is better prepared to face its challenges However to do so a stress on the Jewish Future must replace a preoccupation with the Jewish Past They offer a neo Zionist ideological analysis of modern Jewish life as an alternative to both classical Zionism and post Zionism They conceptualize a Jewish Grand Strategy by clearly defining and delineating between ideology policy grand strategy strategy and tactics with compelling proposals for what such a revised Grand Straegy might entail They suggest a concept of reinvigorated Israel Diaspora relations based on this new Grand Strategy and the potential of the Information Technology Revolution They also offer a conception of Jewish spirituality that could be as appealing to secular as to religious Jews They reject the concept of a Nation that Dwells Alone Throughout the ages Jews have affected and been affected by the world more than any other People they assert They also reject the view that suffering is the dominant feature of Jewish history as this lachrymose perception cannot inspire needed Jewish ambitions in the young They stress the needs of the Jewish person and insist that there can be no real significance to the continued existence of the Jewish People unless the real life concrete needs of the individual are addressed As former Israeli Ambassador to the United Nations and former Cabinet Minister Gad Yaacobi asserts in his foreword The book is original iconoclastic and in some ways revolutionary it challenges inherited assumptions and calls for positive action I believe we have before us a book that must become a reference point for Jewish policy makers as quickly as

possible **The Lakeside Murders** John A. Miller Jr,2012-08-24 The butler did it or maybe he didn't It's summer and fourteen year old Mary Ann Markham is bored Then she remembers that her wealthy grandfather just happens to own a rather rundown lake a short distance down the hill from his huge Victorian mansion She enlists her live in writing coach Art Parker and her friend Jennifer Martin to help restore the lake and its surroundings to a thing of beauty using Grandfather's money of course Things get off to a good start that is until they discover the decomposing body of a teenage girl in the woods Then there's the butler who likes to stargaze the local youth hostel that just happens to catch fire while Mary Ann and Art are attending a sing along there the two bodies discovered in the ashes of the hostel and the local sheriff who thinks everybody's guilty of something While fishing from a boat on the lake Jennifer hooks something big you guessed it the nude body of another teenage girl Suspects abound but especially the new butler gardener and housemaid Time passes The girls throw a Halloween party at the mansion for their classmates and then disappear Now Art with little help from the local sheriff's department must try to find them and their abductor before they join the growing list of corpses Half of America Is Nuts, and They Were Allowed to Vote G. David Howard,2013-07-29 G David Howard combines two passionate interests humor and politics in his first collection of personal essays that creatively examine current events in America and the actions of our government Howard a seasoned stand up comedian addresses a variety of controversial topics with both funny and frank tones intended to provoke laughter and thought about our leaders and the direction our country is headed As he explores how groupless people have no representation why gasoline prices have doubled and how socialists want to destroy freedom and increase taxes Howard blends facts with his own spin on potential solutions Included is a script from an imaginary and imaginative golf game between Barack Obama John Boehner Joe Biden and Chuck Schumer as well as a montage of Howard's opinions on a wide range of subjects such as climate change driver distractions and gun control Half of America Is Nuts and They Were Allowed to Vote shares one man's take on our world as he presents an unforgettable roller coaster ride through America and its political system A Screech of Gulls (The South Coast Murders Book 1) Richard Geddes,2022-07-08 He stumbled upon what they tried to hide Now he can't let it go They left her body in a wasteland Her face frozen in pain and terror will haunt Malcolm Goodman for the rest of his days The police understaffed and overwhelmed dismiss him as a sad old man tormented by his daughter's tragic death decades earlier But Malcolm understands something they don't that a ruthless killer stalks the community willing to do whatever it takes to keep his secret hidden In a small English coastal town that has seen better days Malcolm Goodman war hero turned detective unravels the mystery he cannot ignore while struggling to lay the ghosts of his own past to rest A Screech of Gulls is the first book in The South Coast Murders series The Menorah Journal ,1923 The Right to Life and Conflicting Interests Elizabeth Wicks,2010 The right to life is a core human right which has not yet received the detailed legal analysis that it requires This book provides detailed critical analysis of the controversial human right to life and in particular assesses the weight of conflicting interests which could and

or should serve to override the right This contemporary study of the right to life focuses on the legal as well as ethical issues raised by the value of life in modern day society It seeks to analyse the development meaning and value of the fundamental human right to life in the context of its conflicts with other competing interests The book begins with an overview of the right to life in which the concept of life itself is first analysed before both the right and its legal protection and enforcement are subjected to historical philosophical and comparative analysis The remainder of the book identifies and assesses the merits of various competing interests These comprise armed conflict prevention of crime rights of others autonomy quality of life and finite resources The right to life is unusual in having potential application to so many of today s ethically controversial questions This new work investigates specific topics of current political legal and ethical concern such as the right to life during international conflicts the role of lethal force in law enforcement the death penalty the right to life of a foetus in the context of legalised abortion and the significance of quality of life and autonomy issues in respect of euthanasia and assisted suicide
