

PREFACE.

The Stolen and Perverted Writings of Homer & Ovid; of Plato & Cicero, which all Men ought to condemn; are set up by artifice against the Sublime of the Bible, but when the New Age is at leisure to pronounce; all will be set right by those Grand Works of the more ancient & unconsciously & professedly inspired Men, will hold their proper rank, & the Daughters of Memory shall become the Daughters of Inspiration. Shakspeare & Milton were both curbed by the general melody & idealism from the silly Greek & Latin slaves of the Sward, & rouse up O Young Men of the New Age! set your foreheads against the ignorant Furloughs, for we have Fideliyas in the Camp, the Court, & the University; who would if they could, for ever depress Ment, & prolong Corporal Pain, Painters, or you call, sculptors! Architects! Suffer not the fashionable Fools to depress your power by the prices they pretend to give for contemptible Works, or the expensive advertisement Goats that they make of such works; believe Christ & his Apostles that there is a Class of Men whose whole delight is in Destroying. We do not want either Greek or Roman Models if we are but just & true to our own Imaginations, those Warlike of Eternity in which we shall live for ever; in Jesus our Lord.

And did those feet in ancient time,
Walk upon Englands mountains green;
And was the holy Lamb of God,
On Englands pleasant pastures seen!

And did the Countenance Divine,
Shine forth upon our clouded hills?
And was Jerusalem builded here,
Among these dark Satanic Mills?

Bring me my Bow of burning gold;
Bring me my Arrows of desire;
Bring me my Spear; O clouds unfold;
Bring me my Chariot of fire!

I will not cease from Mental Fight,
Nor shall my Sword sleep in my hand;
Till we have built Jerusalem,
In Englands green & pleasant Land

Would to God that all the Lords people
were Prophets Numbers XI. ch. 90.

Catalogue of Printed Books British Museum,1892 [British Museum](#) British Museum (Londen),1883 [Milton's Theological Process](#) Jason A. Kerr,2023-09-29 This volume proposes a method for reading Milton s De Doctrina Christiana as an artifact of his process of theological thinking rather than as a repository of his doctrinal views Jason A Kerr argues that reading in this way involves attention to the complex material state of the manuscript along with Milton s varying modes of engagement with scripture and various theological interlocutors and reveals that Milton s approach to theology underwent significant change in the course of his work on the treatise Initially Milton set out to use Ramist logic to organize scripture in a way that drew out its intrinsic doctrinal structure This method had two unintended consequences it drove Milton to an antitrinitarian understanding of the Son of God and it obliged him to reflect on his own authority as an interpreter and to develop an ecclesiology capable of sifting divine truth from human error Consequently Milton s Theological Process explores the complex interplay between Milton s preconceived theological ideas and his willingness to change his mind as it develops through the layers of revision in the manuscript Kerr concludes by considering Paradise Lost as a vehicle for Milton s further reflection on the foundations of theology and by showing how even the epic presents challenges to the fruits of these reflections Reading Milton theologically means more than working to ascertain his doctrinal views it means attending critically to his messy process of evaluating and rethinking the doctrinal views to which his prior study had led him
