A Pretty Rough Do Altogether:

'A Pretty Rough Do Altogether' Anthony Perrins,2004 British Prisoners of the Korean War S. P. MacKenzie,2012-09-06 During the Korean War nearly a thousand British servicemen along with a handful of British civilians were captured by North Korean and Red Chinese forces In various camps in the vicinity of Pyongyang and villages along the Yalu River these men found themselves subjected to a prolonged effort by the enemy to undermine their allegiance to the Crown and enlist them in various propaganda campaigns directed against the UN war effort British Prisoners of the Korean War is the first academic study to examine in detail exactly what happened to the major groups of British military and civilian prisoners held in different locations at various junctures between 1950 and 1953 It explores the extent to which factors such as exposure to the actions of the North Koreans as against the Red Chinese evolving physical conditions enemy re education efforts communist attempts at blackmail British attitudes towards the Americans and personal background and leadership qualities among captives themselves influenced the willingness and ability of the British prisoners to collaborate or resist Thanks to the availability of hitherto classified or underutilized source materials it is now possible to test the common popular assumption based on official accounts and memoirs from the 1950s that in marked contrast to their American cousins British captives in the Korean War were pretty much immune to communist efforts at subverting their loyalty The results suggest that British attitudes and actions while in enemy hands were rather more nuanced and varied than previously assumed

To The Last Round Andrew Salmon,2010-04-25 NEW PAPERBACK EDITION Salmon s vivid use of recollections and dramatic quotes brings alive an unjustly forgotten conflict Time Out With even World War II now just on the edges of living memory and with British forces now engaged in a lengthy brutal and attritional old fashioned war in Afghanistan historical attention is starting to turn to the Korean War of the early 1950s And remarkably the most notorious and celebrated battle in that conflict from a British point of view has never previously been written about at length Andrew Salmon s book which has garnered excellent reviews and sold out two hardback printings already has filled that gap This is the story of the Battle of the Imjin River when the British 29th Infantry Brigade and above all the Glorious Glosters of the Gloster Regiment fought an epic last stand against the largest communist offensive of the war It lasted three days of bitter hand to hand combat By the end of it one battalion of the Glosters some 750 men had been reduced to just 50 survivors Andrew Salmon s definitive history which gained excellent reviews in hardback and sold very steadily is very much in the Antony Beevor mould accessible pacy narrative and painting a moving and exciting picture through the extensive use of eyewitness accounts of veterans of whom he has tracked down and interviewed dozens Andrew Salmon is a Seoul based journalist who writes for The Times The Washington Times and Forbes magazine He first became fascinated by the battle in 2001 when he met British veterans returning to the Imjin River to mark the 50th anniversary

The Imjin and Kapyong Battles S.P. MacKenzie,2013-03-12 An excellent history of a massive Communist offensive and the brigades that resisted it H

War The sacrifice of the British regiment known as the Glorious Glosters in defense of the Imjin River line and the hilltop fights of Australian and Canadian battalions in the Kapyong Valley have achieved great renown Using official and unofficial source material ranging from personal interviews to war diaries this in depth study the first of its kind seeks to disentangle the mythology surrounding both battles and explain why events unfolded as they did Based on thorough familiarity with all available sources many not previously utilized it sheds new light on fighting the forgotten war In Korea on the night of 22nd April 1951 communist forces unleashed what remains to this day their greatest offensive since Zhukov s storm on Berlin In the desperate fighting that followed the key flanks of free world forces were held by one British and one Commonwealth brigade The former took on a Chinese army the latter a Chinese division Six decades later an American historian has dismantled the barriers between Australian British Canadian and New Zealand accounts of those whirlwind days to compose the only comparative analysis of the tragedy on the Imjin and the stand at Kapyong Andrew Salmon author of *Scorched Earth Black Snow Britain and Australia in the Korean War 1950* [Redskin and Cow-boy](#) George Alfred Henty,1891 [Selected works of Charles Dickens: A Tale Of Two Cities, A Christmas Carol , Oliver Twist](#) Charles Dickens,2021-02-01 Selected works of Charles Dickens from the series Best of the Best is the book that everyone should read to understand themselves and each other The authors and works for this book series were selected as a result of numerous studies analysis of the texts over the past 100 years and the demand for readers It must be read in order to understand the world around us its history to recognize the heroes to understand the winged expressions and jokes that come from these literary works Reading these books will mean the discovery of a world of self development and self expression for each person These books have been around for decades and sometimes centuries for the time they recreate the values they teach the point of view or simply the beauty of words This volume of the Best of the Best series includes famous works Great Expectations David Copperfield Oliver Twist Bleak House A Tale Of Two Cities A Christmas Carol Our Mutual Friend Little Dorrit The Pickwick Papers
