

The real love story was always you and you. It was how you walked alone and learned what you needed to carry. It was how you began to see through your own eyes, and not someone else's. It was how you began to dig joy out from beneath your cynicism, how you slowly built your desires into form. It was how you learned what you like and don't, and what you came here to be. The real love story was always how you opened your heart to yourself.

## **A Real Love Story:**

**The beautiful and the dark side of a love story** Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an imposible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent togheter

**Once Upon a Time Love Story: John F. Kennedy Jr. & Carolyn Bessette – The Captivating Life** Laurel Beller, Once Upon a Time Love Story John F Kennedy Jr Carolyn Bessette The Captivating Life They were young They were beautiful They were America s royalty The world thought it knew their story It didn t On a summer evening in July 1999 a small plane carrying John F Kennedy Jr and Carolyn Bessette Kennedy vanished over the Atlantic and with it the last great American fairy tale More than twenty five years later fascination with the couple has only grown He was the heir to a political dynasty charismatic and burdened by legacy She was the enigmatic former Calvin Klein executive whose minimalist elegance defined a generation Together they became the most watched couple in America But who were they beyond the headlines This meticulously researched dual biography pulls back the curtain on myth and media to reveal two complex deeply human individuals It traces John s life in the shadow of Jacqueline Kennedy Onassis and Carolyn s rise in the high stakes world of fashion long before they became America s Couple Inside discover The electric beginning of their romance The pressures of dynasty and public scrutiny The private struggles behind a glamorous image The media narratives that shaped and distorted their lives The truth about the night that changed everything Elegant intimate and culturally resonant this is not a fairy tale It is something more powerful a real love story imperfect luminous and unforgettable Some fairy tales glitter Some burn bright and vanish This one still lingers Buy now and discover the truth behind the legend

**THE BEAUTIFUL ILLUSION OF BEING IN LOVE** Adrian Gabriel Dumitru, The

book The beautiful illusion of being in love is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling in love is an experience that any human being must see with it s own soul It can be a beautiful experience an illusion or a beautiful illusion The book is more like a collection of poems but the writer is not knowing to write poetry but only essays Trying to define love in many ways the essays speak about the beautiful illusion as part of the life maybe the most important part Defining is done in a micro and macro way but the love is always seen as something very beautiful The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that wants to understand love from a philosophical point of view Enjoy it *Karmic love story = therapy, not trauma* Adrian Gabriel Dumitru, I try to understand love And women Being obsessed with that Unfortunately the Universe laughs of me behind my back sending me into the most beautiful illusory love relationships but realistically realising it much too late Then all is suddenly changing the truth being revealed And i hate it The beautiful vibes of the amazing love story turns on into a nightmare I am shocked I feel frustrated Totally annoyed But all is repeating On and on and on Obviously being karmic but denying it Continuing And i can t see that the real purpose of it is to redefine me as a human being Experience love Understand it But start loving for real Becoming one with my partner 2 souls metamorphosed into 1 soul Of course i refuse it I say i want it but realistically i am acting so so contradictory Being confused Too confused Fortunately deep inside myself i know i must allow all to continue And it simply continues Living a non ending emotional balance Seen also as normality but being in fact nothing than a form of abstract therapy **Primitive Love and Love-stories** Henry T. the word impossible creates this strange illusory and abstract way of seeing the magic of love The book is a collection of essays my thoughts about the interconnection between the illusion and reality I used a lot the term illusion cause we all look for perfect scenarios especially when it comes to love but the truth is that perfection is far far away of reality We can interconnect illusions with the real world just through impossible love stories In the end the book is a personal development writing that allows us to understand the magic of love but also a method that teaches how to enjoy life even if we dislike the word impossible
