Joel Rufus Moseley 1870 1954 is one of the forgotten twentieth century champions of American Pentecostalism A brilliant scholar and university professor he left the accolades of academia and searched a number of spiritual paths until he embraced Pentecostalism in 1910 Thereafter he began a lay ministry to the down and outs of society openly campaigning against capital punishment for racial desegregation and above all else for living a life in the Holy Spirit he described as Life as Love He blazed a path that was to influence and confound many Pentecostal leaders of his time provided an example to those who would lead what become known as the Charismatic Renewal and enjoyed a life of joy one rarely encounters A contemporary version of St Francis of Assisi Rufus Moseley shunned position power politics religious titles and seeking after wealth in favor of following simplicity and depth of spiritual life Like his thirteenth century counterpart he lived a life of gratitude of littleness and above all love Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in Christ *Agnes Sanford and Her Companions* William L. De Arteaga,2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past [History and Hope in the Heart of Dixie](#) Gordon E.
