A Revelation Of Jesus Christ:

The Revelation of Jesus Christ Dr. Brian J. Bailey, 2015-09-18 This easy to read commentary on the book of Revelation will bring clarity to some of the major issues of our time It will show that before the Second Coming of Christ a series of events must take place The Two Witnesses must appear as well as the Ten Kings and the Man of Sin Dr Bailey dispels the confusion surrounding these awesome revelations of the Apostle John while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the Lord in the clouds A Revelation of Jesus Christ J.B. Smith, 2004-05-10 From the Introduction by Merrill C Tenney This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom In this regard he is in a long line of renowned commentators including Seiss Gaebelin Ottman and others The distinguishing feature of this commentary is its use of Biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text This commentary will probably be the mainstay of premillennial exposition for some years to come *The Revelation of Jesus Christ* Stephen Kaung, The book of revelation is the last of the sixty six books of the Bible As such it is the concluding word of God and therefore occupies a special position Whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of God s word The content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on Revelation spoken by the author in respectively the year 2007 and back during the 1950s After these many years and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of God s people may receive the promised blessing It is our prayer that all who shall read this book will receive God s blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ

The Revelation of Jesus Christ Alfred J. Chomppff, 2013-05-07 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was

also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book **The Revelation of Jesus Christ**

Ray F. Robbins,2005-01-13 What New Testament book bewilders most Christians Of course the book of Revelation Many people ignore it because it seems unreal and unrelated to Christian living Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference While fully aware of the various theories of interpretation Dr Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers He provides a practical exposition with little attention given to critical problems He feels that the basic message is timeless full of hope and promise in every age Here is fresh clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters **The Revelation of Jesus Christ**

Victor Conkle,2016-06-25 THE REVELATION CAN SEEM complex and difficult to read much less to understand Seven of this three of that and 200 million of them all mixed in with bowls woes and scrolls it can be daunting It makes a person wonder why this strange mysterious book was ever added to the biblical canon Was the Revelation ultimately slapped onto the end of the Bible with a groan and the utterance Let someone down the road figure it out In fact Revelation is pretty much the opposite of hidden or mystery as indicated by the very title Apocalypse Revelation or revealed The title of the book itself means to reveal or to make known In Matthew 24 Jesus said But concerning that day and hour no one knows not even the angels of heaven nor the Son but the Father only verse 36 Father God will reveal it and He did He revealed it to His Son who

then revealed it to John The only difference between the Olivet Discourse in the books of Matthew and Luke and the words in Revelation is that in the Gospel passages Jesus talks about what will happen down the road a bit not a prediction or vague apocalyptic vision whereas in Revelation he tells John that it has now been revealed and will happen shortly Very soon The Revelation of Jesus Christ which God gave Him to show to His bond servants the things which must soon take place and He sent and communicated it by His angel to His bond servant John who testified to the word of God and to the testimony of Jesus Christ even to all that he saw Revelation 1 1 2 *The Revelation of Jesus Christ Revealed* Freddie Butler,2018-11-23 The book of Revelations is outlined in five sections I Chapters 1 3 the church age II Chapters 4 5 events in Heaven III Chapters 6 19 events of the future tribulation IV Chapter 20 events of the millennium V Chapters 21 22 events of the new Heavens and new Earth In the first three chapters Jesus is addressing the churches At the beginning of Chapter 4 the rapture has occurred and the church is in Heaven Those left behind on the earth begin to experience the tribulation in Chapters 6 19 Jesus returned to the earth with a heavenly host for the 1000 year reign during the Millennium in Chapter 20 Finally in Chapters 21 22 the enemies of God have already been defeated and there is no more curse The book of Revelations in the bible is a story of triumph for the church and a book of judgment for those who did not receive the free salvation offered through the suffering death resurrection and ascension into Heaven of our Lord and Savior Jesus Christ After two years of studying and teaching the book of Revelations to a few in a small country church I felt led by God to share this information with many more The Revelation of Jesus Christ Revealed answered most of my questions about the book of Revelations I pray that it does the same for you Revelation of Jesus Christ Ranko Stefanović,2002 The Revelation of Jesus Christ Ralph Dorman,2016-01-13 The Revelation of Jesus Christ is an in depth study of the end times according to the book of Revelations in The Word of God **The Revelation of Jesus Christ** John F. Walvoord,1966-01-01 This tremendous exposition of the capstone of Scripture issues from years of teaching dedicated study and sound evangelical scholarship The author defends the premillennial position but at crucial points considers other views as well The Revelation of Jesus Christ Horatius Bonar,2013-02-01 The Revelation of Jesus Christ which God gave unto Him to show unto His servants things which must shortly come to pass and He sent and signified it by His angel unto His servant John who bore record of the Word of God and of the testimony of Jesus Christ and of all things that he saw Blessed is he who reads and those who hear the words of this prophecy and keep those things which are written therein for the time is at hand Revelation 1 1 3 The TITLE of this last and most wondrous of inspired books is the revelation uncovering unveiling of Jesus Christ It is He who unveils and it is He who is here unveiled to us and who shines out with transfiguration brightness before the Church s eye The spirit and sum of this book is testimony to Jesus ch 19 10 He is its Alpha and its Omega We find Him everywhere in description in song in symbol in prediction in things past present and to come Here Christ is all and in all This last book completes the unveiling which was begun in the Gospels and carried on through the Epistles The last fragment of the veil is here taken from His face We see

Him as He is on the Father's right hand on the throne through the rent veil The heavens are opened and we see Him as Stephen did in His present glory and in the glory of His second coming Revelation Jeff Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told

Grogan,2022-01-11 For the believer in the pew the Book of the Revelation of Jesus Christ needs no other introduction than that it is the most avoided Book of Scripture that few feel capable of navigating and understanding on their own The dense amount of imagery and the horrific scenes of judgment are mind boggling and remain a mystery for many The purpose of this volume is to empower you the believer in the pew with the most accessible tool to navigate and understand this last Book of Scripture and that tool is the Bible itself the Bible in your hand You see the God Who is speaking and acting in this last Book of Scripture has been speaking and acting throughout the Biblical text cf Heb 1 1 2 It is God's intent therefore that you understand this last Book of Scripture just as He intended for you to understand all Scripture The Revelations in this last Book were not hidden from you but for you to discover through diligent study Let this volume be your entrance into the awe inspiring zone of discovering and re-discovering the majesty and the consistency of the only God Who is worthy to be trusted and obeyed worshipped and adored **The Revelation of Jesus Christ** David Hall,Denise Hall,2018-10-24 Not found on any map the Valley of Decision is a place of indecision a quagmire of noncommitment stalling forward motion It's the anxious middle place whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ Polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe Yet perhaps knowing more about what tomorrow brings would help those still

undecided make the clear choice to freely stand with God The Revelation of Jesus Christ Standing in the Valley of Decision explores the book of Revelation as the source of God s true prophecy for what our future holds Authors David and Denise Hall offer verse by verse commentaries on Christ s revelation omitting nothing and using the Bible to interpret itself with scriptural citations supporting every point Believers are invited to take notes and engage in active Bible study as they learn how end time prophecies are being fulfilled today In what time is left the choice is clear personal and simple freely stand with God and have your sins washed away and your ransom paid or face the eternal consequence of separation Choose now and soon because the time of His return draws near The time to study Revelation is now and The Revelation of Jesus Christ Standing in the Valley of Decision will help all those seeking truth in the name of the Father the Son and the Holy Spirit

The Revelation of Jesus Christ, Explained Agreeably to the Analogy of Holy Scripture John Hooper, 1850

Revelations Carol Bass, 2018-06-08 Revelations is a result of years of disciplined study of Gods Word a result of intimacy with Jesus a result of intimate time in the Word from God the Word in Carol and her in the Word This devotion is a culmination of years of growth from private time spent daily in Gods presence allowing Jesus the Word made flesh to rule over the evil nature within thus allowing the Word of God to be King and Lord His work began in 1989 as Carol poured her heart out quietly journaling and giving expression to her feelings while being alone with the Word With pen in hand and blank paper waiting she gained revelation about evils fleshly nature within the principalities powers and rulers without and about Jesus the Word Who is the Revealer of all Truth From the feelings in her heart to the thoughts in her mind to where the pen met the paper she gained discernment By expressing her heart in light of the Word of Truth with the Word of Truth filtering her thoughts and prayers she discerned her way aligned her heart and mind with Truth lived life according to the Truth and then learned how to pray a right prayer according to the Truth

The Revelation of Jesus Christ Wallace Shows, 2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are Revelation M.R. DeHaan, 2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open

and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan
