A Saga Of America:

Saga America Barry Fell, 1980 Dr Barry Fell and Emeritus Professor at Harvard documents trans Atlantic Old World incursions with much fresh evidence of Libyan Carthaginian Celtic Greek Roman and Viking presences on the east Coast But even more extraordinary is his documentation of pre Columbian Europeans and North Africans in the far West Graeco Libyans Dr Fell demonstrates used their sophisticated navigational skills to cross the Indian and Pacific Oceans to reach and settle in California and Nevada from the third century B C Their inscriptions in the form of petroglyphs have been carefully recorded in the past by scholars but until Dr Fell translated them their significance was a matter of mystified conjecture and they were ascribed vaguely to some lost Indian culture Dr Fell describes how Thomas Jefferson had suspected a relationship between some American Indian and North African languages In Jefferson s spirit Fell pursued his researches in North Africa and found astounding confirmation of his discoveries both in complementary documentation and in the enthusiastic recognition by North African scholars Dust jacket

Chinese American Mothering Andrea Louie, 2025-12-16 A journey from Chinese immigrant to U S Mother of the Year unpacks the roots of the model minority myth and its legacy In 1952 Toy Len Goon a Chinese immigrant widow who raised eight children while running their family laundry was selected as U S Mother of the Year by the American Mother s Committee of the Golden Rule Foundation In *Chinese American Mothering* Andrea Louie argues that Toy Len Goon s selection for this honor was more than an acknowledgement of her having raised eight successful children while running a business rather she was chosen precisely because she was a Chinese American woman who could exemplify both the virtues of mothering and of American upward mobility Her selection for the Mother of the Year honor can only be understood within the context of shifting representations of Chinese Americans during the Cold War era and the accompanying assumptions about the strategic role that positive representations of Chinese Americans could have in extending U S influence in Asia Drawing upon immigration records interviews and secondary sources as well as her positionality as Toy Len Goon s granddaughter Louie tells an expanded version of Toy Len Goon s life story Ultimately *Chinese American Mothering* addresses themes of migration gender racialization Americanization and success through the evolving lens of the model minority myth
