A Shepherds Life:

The Shepherd's Life James Rebanks, 2015-05-12 Some people's lives are entirely their own creations James Rebanks isn't the first son of a shepherd who was the first son of a shepherd himself his family have lived and worked in the Lake District of Northern England for generations further back than recorded history It's a part of the world known mainly for its romantic descriptions by Wordsworth and the much loved illustrated children's books of Beatrix Potter But James world is quite different His way of life is ordered by the seasons and the work they demand It hasn't changed for hundreds of years sending the sheep to the fells in the summer and making the hay the autumn fairs where the flocks are replenished the grueling toil of winter when the sheep must be kept alive and the light headedness that comes with spring as the lambs are born and the sheep get ready to return to the hills and valleys publisher marketing Blackwood's Edinburgh Magazine, 1826 A Shepherd's Life W.
