

American Slave

Henry Louis Gates

American Slave:

The American Slave Trade John Randolph Spears, 1900 **Slave Young, Slave Long** Meg Greene, 1998 Presents a social and cultural history of the American slave experience with emphasis on day to day life rather than the larger political context [Carry Me Back](#) Steven Deyle, 2005-04-14 Originating with the birth of the nation itself in many respects the story of the domestic slave trade is also the story of the early United States While an external traffic in slaves had always been present following the American Revolution this was replaced by a far more vibrant internal trade Most importantly an interregional commerce in slaves developed that turned human property into one of the most valuable forms of investment in the country second only to land In fact this form of property became so valuable that when threatened with its ultimate extinction in 1860 southern slave owners believed they had little alternative but to leave the Union Therefore while the interregional trade produced great wealth for many people and the nation it also helped to tear the country apart The domestic slave trade likewise played a fundamental role in antebellum American society Led by professional traders who greatly resembled northern entrepreneurs this traffic was a central component in the market revolution of the early nineteenth century In addition the development of an extensive local trade meant that the domestic trade in all its configurations was a prominent feature in southern life Yet this indispensable part of the slave system also raised many troubling questions For those outside the South it affected their impression of both the region and the new nation For slaveholders it proved to be the most difficult part of their institution to defend And for those who found themselves commodities in this trade it was something that needed to be resisted at all costs *Carry Me Back* restores the domestic slave trade to the prominent place that it deserves in early American history exposing the many complexities of southern slavery and antebellum American life **The American Slave Code in Theory and Practice** William Goodell, 1853 **My Brother Slaves** Sergio Lussana, 2016-05-20 Trapped in a world of brutal physical punishment and unremitting back breaking labor Frederick Douglass mused that it was the friendships he shared with other enslaved men that carried him through his darkest days In this pioneering study Sergio A Lussana offers the first in depth investigation of the social dynamics between enslaved men and examines how individuals living under the conditions of bondage negotiated masculine identities He demonstrates that African American men worked to create their own culture through a range of recreational pursuits similar to those enjoyed by their white counterparts such as drinking gambling fighting and hunting Underscoring the enslaved men s relationships however were the sex segregated work gangs on the plantations which further reinforced their social bonds Lussana also addresses male resistance to slavery by shifting attention from the visible organized world of slave rebellion to the private realms of enslaved men s lives He reveals how these men developed an oppositional community in defiance of the regulations of the slaveholder and shows that their efforts were intrinsically linked to forms of resistance on a larger scale The trust inherent in these private relationships was essential in driving conversations about revolution *My Brother Slaves*

fills a vital gap in our contemporary understanding of southern history and of the effects that the South's peculiar institution had on social structures and gender expression. Employing detailed research that draws on autobiographies of and interviews with former slaves, Lussana's work artfully testifies to the importance of social relationships between enslaved men and the degree to which these fraternal bonds encouraged them to resist.

The American Slave-Trade John R. Spears, 2017-07-26

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Fifty Years in Chains; or, the Life of an American Slave Charles Ball, 2022-05-28

In *Fifty Years in Chains or the Life of an American Slave*, Charles Ball presents a harrowing first-person narrative that intricately documents his experiences as an enslaved man in America. The book blends autobiography with historical commentary, employing a direct and unembellished literary style that evokes the raw truth of enslavement. Ball's account spans several decades, encapsulating the brutality of the plantation system, his personal struggles, and the relentless pursuit of freedom. By situating his story within the broader context of American slavery, he offers readers invaluable insights into the dehumanizing realities faced by countless individuals, challenging them to confront the moral implications of this institution. Charles Ball, born into slavery in 1780, escaped to freedom in 1825 after enduring unimaginable hardships. His profound life experiences as a slave, combined with an earnest desire to shed light on the truth behind the institution of slavery, inform this poignant narrative. Ball's journey encompassed not only the physical fight for freedom but also an intellectual struggle to communicate his truths to a society that often turned a blind eye to the brutalities occurring within its borders. This powerful work is essential reading for anyone interested in American history, social justice, or the enduring legacy of slavery. Ball's vivid recounting serves as both a personal testimony and a collective memory, urging

modern readers to engage with the past It is a potent reminder of the resilience of the human spirit and the ongoing struggle for equality In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

American Slaves and African Masters C. Sears,2012-09-06 Whether by falling prey to Algerian corsairs or crashing onto the desert shores of Western Sahara a handful of Americans in the first years of the Republic found themselves enslaved in a system that differed so markedly from nineteenth century U S slavery that some contemporaries and modern scholars hesitate to categorize their experiences as slavery Sears uses a comparative approach placing African enslavement of Americans and Europeans in the context of Mediterranean and Ottoman slaveries while individually investigating the system of slavery in Algiers and Western Sahara This work illuminates the commonalities and peculiarities of these slaveries while contributing to a growing body of literature that showcases the flexibility of slavery as an institution

The Slave's Narrative Henry Louis Gates,1985 The autobiographical narratives of black ex slaves published in the eighteenth and nineteenth centuries constitute the largest body of literature produced by slaves in human history Black slaves in the New World created a veritable literature of escape depicting the overwhelming horrors of human bondage These narratives served the abolitionist movement not only as evidence of the slaves degradation but also of their intellectual capacity Accordingly this literature has elicited a wealth of analysis and controversy from its initial publication right up to our day This volume charts the response to the black slave s narrative from 1750 to the present The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass,1997 Written more than a century ago by Frederick Douglass a former slave who went on to become a famous orator U S minister and a leader of his people this masterpiece is one of the most eloquent indictments of slavery ever recorded Douglass s shocking narrative takes the reader into the world of the South s antebellum plantations and reveals the daily terrors he suffered as a slave shedding invaluable light on one of the most unjust periods in the history of America Published for the first time as a Signet Classic Copyright Libri GmbH All rights reserved

A Plea for Unity Among American Negroes and the Negroes of the World Samuel Barrett, 1926

Long Past Slavery Catherine A. Stewart, 2016-02-05 From 1936 to 1939 the New Deal's Federal Writers Project collected life stories from more than 2,300 former African American slaves These narratives are now widely used as a source to understand the lived experience of those who made the transition from slavery to freedom But in this examination of the project and its legacy Catherine A Stewart shows it was the product of competing visions of the past as ex slaves memories of bondage emancipation and life as freedpeople were used to craft arguments for and against full inclusion of African Americans in society Stewart demonstrates how project administrators such as the folklorist John Lomax white and black interviewers including Zora Neale Hurston and the ex slaves themselves fought to shape understandings of black identity She reveals that some influential project employees were also members of the United Daughters of the Confederacy intent on memorializing the Old South Stewart places ex slaves at the center of debates over black citizenship to illuminate African Americans struggle to redefine their past as well as their future in the face of formidable opposition By shedding new light on a critically important episode in the history of race remembrance and the legacy of slavery in the United States Stewart compels readers to rethink a prominent archive used to construct that history

Papers of the American Slave Trade: Brown family collections (23 reels) Jay Coughtry, 1996

Narrative of the Life of Frederick Douglass, An American Slave Frederick Douglass, 2017-03-01 Former slave and abolitionist Frederick Douglass in his own words Considered to be the most famous work written by a former slave this memoir first published in 1845 set the tone for the American abolitionist movement Within four months of its publication it had sold more than five thousand copies The book not only describes Douglass life as a slave but it also reveals his tremendous journey to becoming a free man This edition features a new introduction The Knickerbocker Classics bring together the works of classic authors from around the world in stunning gift editions to be collected and enjoyed Complete and unabridged these elegantly designed cloth bound hardcovers feature a slipcase and ribbon marker as well as a comprehensive introduction providing the reader with enlightening information on the author's life and works

Help Me to Find My People Heather Andrea Williams, 2012-06-01 After the Civil War African Americans placed poignant information wanted advertisements in newspapers searching for missing family members Inspired by the power of these ads Heather Andrea Williams uses slave narratives letters interviews public records and diaries to guide readers back to devastating moments of family separation during slavery when people were sold away

from parents siblings spouses and children Williams explores the heartbreaking stories of separation and the long usually unsuccessful journeys toward reunification Examining the interior lives of the enslaved and freedpeople as they tried to come to terms with great loss Williams grounds their grief fear anger longing frustration and hope in the history of American slavery and the domestic slave trade Williams follows those who were separated chronicles their searches and documents the rare experience of reunion She also explores the sympathy indifference hostility or empathy expressed by whites about sundered black families Williams shows how searches for family members in the post Civil War era continue to reverberate in African American culture in the ongoing search for family history and connection across generations

Glory Bound David K. Wiggins,1997-04-01 African American athletes have experienced a tumultuous relationship with mainstream white America *Glory Bound* brings together for the first time eleven essays that explore this complex topic In his writings well known sports scholar David K Wiggins recounts the struggle of black athletes to participate fully in sports while maintaining their own cultural identity and pride Wiggins examines the seminal moments that defined and changed the black athlete s role in white America from the nineteenth century to the present the personal crusade of Wendell Smith to promote black participation in organized baseball the triumph of Jesse Owens at the 1936 Olympics and the proposed boycott of the Games and the response of America s black press and community *Glory Bound* demonstrates how the civil rights movement changed the face of American athletics and society forever With the genesis of the black power movement in sport Wiggins notes a significant shift in black and white America s attention to the African American athlete

Everything You Were Taught about American Slavery Is Wrong, Ask a Southerner! Lochlainn Seabrook,2014-12-04 If you re new to authentic Southern history or you re just fed up with the mountain of lies slander disinformation and pro North propaganda found in our South bashing history books *Everything You Were Taught About American Slavery is Wrong Ask a Southerner* will be a joyful revelation This important 1 000 page work by award winning author Southern historian and slavery scholar Lochlainn Seabrook decimates the fictitious deceitful purposefully misleading view of slavery annually churned out by Yankee mythologists writers filmmakers and bloggers Lavishly illustrated with over 500 rare and intriguing images a helpful world slavery time line and a detailed index of significant historical figures Mr Seabrook lays out the truth about the peculiar institution a truth that has been nefariously suppressed for centuries by enemies of the South and the politically correct Did you know for instance that Africa was enslaving her own people thousands of years before the transatlantic slave trade that white American slavery laid the foundation for black American slavery that Africa enslaved 1 5 million whites in the 1700s that genuine slavery was never practiced in the American South that both the American slave trade and slavery got their start in the North that the American abolition movement began in the South that five times more blacks fought for the Confederacy than for the Union Did you know that there were thousands of African American and Native American slave owners in early America and that less than 5 percent of white Southerners owned slaves that the Emancipation Proclamation

did not free a single slave and was not meant to that until the last day of his life Abraham Lincoln campaigned to have all blacks deported to Africa and that Jefferson Davis abolished the foreign slave trade before Lincoln did and adopted a black boy during the War These and thousands of other little known facts will astound fascinate and enlighten In support of his in depth research the author provides hundreds of eyewitness accounts dating from the 1600s to the early 20th Century firsthand testimony clearly illustrating how American slavery came to be how it was actually practiced and how both European Americans and African Americans viewed it and experienced it With 21 chapters nearly 3 500 endnotes and a comprehensive 2 000 book bibliography this well investigated yet easy to read work the result of over 20 years of research is a must read for every serious student of American history Southern history and American slavery Its release will require every history book to be rewritten You will never look at slavery the same way again The foreword is by African American educator Barbara G Marthal B A M Ed Civil War scholar Lochlainn Seabrook a recipient of the prestigious Jefferson Davis Historical Gold Medal and a descendant of numerous Confederate soldiers is the sixth great grandson of the Earl of Oxford and the author of over forty popular books for all ages A seventh generation Kentuckian of Appalachian heritage who is known as the new Shelby Foote Seabrook has a forty year background in the American Civil War Confederate studies Southern biography and international slavery and is the author of the companion bestseller Everything You Were Taught About the Civil War is Wrong Ask a Southerner

Narrative of the Life of Frederick Douglass, An American Slave
Frederick Douglass, 2014-10-09 One of the greatest works of American autobiography in a definitive Library of America text Published seven years after his escape from slavery Narrative of the Life of Frederick Douglass an American Slave 1845 is a powerful account of the cruelty and oppression of the Maryland plantation culture into which Frederick Douglass was born It brought him to the forefront of the antislavery movement and drew thousands black and white to the cause Written in part as a response to skeptics who refused to believe that so articulate an orator could ever have been a slave the Narrative reveals the eloquence and fierce intelligence that made Douglass a brilliantly effective spokesman for abolition and equal rights as he shapes an inspiring vision of self realization in the face of unimaginable odds

[Narrative of the Life of Frederick Douglass: An American Slave](#) Frederick Douglass, 2017-11-01
