Wax Trash and Vinyl Treasures: Record Collecting as a Social Practice Roy Shuker, 2017-07-05 The term record collecting is shorthand for a variety of related practices. Foremost is the collection of sound recordings in various formats although often with a marked preference for vinyl by individuals and it is this dimension of record collecting that is the focus of this book. Record collecting and the public stereotypes associated with it is frequently linked primarily with rock and pop music. Roy Shuker focuses on these broad styles but also includes other genres and their collectors notably jazz, blues, exotica, and ethnic music. Accordingly, the study examines the history of record collecting profiles collectors and the collecting process, considers categories especially music genres and types of record collecting and outlines and discusses the infrastructure within which collecting operates. Shuker situates this discussion within the broader literature on collecting along with issues of cultural consumption, social identity, and the construction of self in contemporary society. Record collecting is both fascinating in its own right and provides insights into broader issues of nostalgia, consumption, and material culture.

A Blues Bibliography Robert Ford, 2008-03-31 *A Blues Bibliography* Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999. In addition to biographical references, this work includes entries on the history and background of the blues instruments, record labels, reference sources, regional variations, and lyric transcriptions and musical analysis. *The Blues Bibliography* is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars.

The Hoosier Hot Shots - And My Friend Gabe Dick Stodghill, 2007-11 At the height of the Great Depression, three fun-loving young musicians from the flatlands of Central Indiana began broadcasting a fifteen-minute daily radio show on WOWO in Fort Wayne. Veterans of the vaudeville circuits, they performed without pay to promote local appearances for 15¢ per night. The show quickly drew a large following and this led to an opportunity to join the WLS National Barn Dance in Chicago. Their happy, sometimes zany antics proved to be exactly what a Depression-weary country needed. The line that began many of their songs, "Are you ready, Hezzie," became part of the American lexicon. *The Hoosier Hot Shots* went on to make hundreds of phonograph records appear in 22 movies and have their own nationwide radio show.
