

The Politics of American Public Policy

In this lecture, our last in the section of the course concerning American politics, we shall consider the nature of public policy. First, we shall consider how this worked in the ordinary or traditional way of American politics; then we shall turn to examining how this has been dramatically changed or altered by one of the continuing sources of change in American politics and government, namely, the rise of the issue network. Following that, we shall consider two larger changes, the increase in social mobility among Americans in general, and the growing presence of finance in the American economy, and what all this suggests for American politics and government in the future.

I. Traditional Public Policy Making in America

- A. Public Policy can best be understood as the outcome or result of what government does. Put another way, it is often goods or services delivered by the government to its citizens, from educational policy to highway construction to the delivery of the infrastructure for health policy.
- B. The formula for understanding traditional policy-making:
 - 1. Congress plus President equals Policy
- C. The Congress brings to this policy-making two elements
 - 1. The Power of Controlling Money, Allocation
 - 2. The Power of Publicity – Can Hold Congressional Hearings
- D. The President brings to this policy making two elements
 - 1. Leadership of the Bureaucracy, implementing policy
