MILITARY AFFAIRS.

16th Congress.]

No. 176.

[1st Session.]

COMPLAINTS AGAINST THE MILITARY ACADEMY AT WEST POINT.

COMMUNICATED TO THE HOUSE OF REPRESENTATIVES, DECEMBER 27, 1819.

May it please the honorable the Congress of the United States:

THAT the undersigned, late cadets in the service of the United States, in pursuance of original powers extended to the said undersigned by one hundred and eighty cadets, in November, 1818, to act in their behalf, and, by all legal means, to relieve the corps of cadets from certain tyrannies which they hold to exist, would respectfully represent and declare:

That a true statement of the situation of the Military Academy has been withheld from the Congress of the United States.

That, in consequence, the said Military Academy has suffered under the abuses of an authority which was, and is, unrestrained by any fixed and certain laws.

That, although it has been officially asserted that the said Military Academy has been governed by the rules and articles of war, yet those laws have frequently been infringed in cases involving the reputation of individuals.

That courts of inquiry have been ordered by the superintendent of the academy for the purpose of trying cadets, who did not request, and did not desire, the convention of such courts: the superintendent thereby violating the ninety-second article of war.—(See certificate No. 1.)

That unjust and unauthorized taxes have been levied on the cadets, at different times, under the pretence of a charge for the injury of class books; that the said taxes were levied without the consent of the cadets, and stopped from their pay without their being able to prevent the imposition.—(See certificate No. 2.)

That the cadets have been and are coerced to sign the pay-rolls of the academy, acknowledging the receipt of their pay, when such acknowledgment has been, and is, in effect, false, because they have not been and are not permitted to dispose of any portion, or to have any concern in the disposition, of the said pay.—(See certificate No. 3.)

That insults, gross, personal, corporal, and degrading, have been offered to cadets as individuals, and to the corps as a body, with impunity; the officer offering such insults being abetted by his superior, the Superintendent, and permitted to join his regiment without a public punishment.—(See pamphlet attached to this petition, marked A.)

That charges against the said officer were preferred by an individual who had received a corporal insult, and were not attended to by the superintendent; that charges were preferred by the undersigned petitioners against said officer, (see A.) and were not attended to, but, as if to punish the humility that would beg when goaded past endurance, they were punished for thus complaining, by an unboard of arrest and persecution for nearly twelve months.—(See pamphlet A.)

That the present state of the academy is the same as at the time when the aforesaid injuries took place, and that those injuries might now be repeated with impunity.

That there is now in force an illegal order, whereby cadets are forbid to address the Department of War or Engineers on any occasion or emergency; this order being contrary to the genius of our laws, and in direct violation of the rules and articles of war.—(See certificate No. 4, Art. War 34.)

That cadets have been forced to resign by a public order, under pretence that they were not proficient in their studies, when it was known that the said cadets were prevented from making a proper progress in their studies by disadvantages resulting from the organization of the institution.—(See certificate No. 5.)

That cadets have been forced, in effect, to give evidence against themselves before a court of inquiry, which they did not request, by a high-handed violation of common law.—(See certificate No. 6.)
