American Studies Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context

Walkin' the Talk Bill Lyne, Vernon Damani Johnson, 2003 With a wide selection of literary political historical and critical texts from the eighteenth century to the present WALKIN THE TALK provides a deep and multifaceted view of African

American life and culture Both the familiar and the sometimes neglected authors collected in this anthology create the richest possible context for the study of the experience of Africans in America An ideal book for courses in African American Literature History Ethics of Race and Black Studies PICK A PENGUIN We are delighted to offer select Penguin Putnam titles at a substantial discount to your students when you request a special package of one or more Penguin titles with any Prentice Hall Literature text Contact your Prentice Hall sales representative for special ordering instructions For more information about this and other English titles check out our online catalog at www.prenhall.com/english

American Culture Anders Breidlid, Fredrik Chr. Brøgger, Oyvind T. Gulliksen, Torbjorn Sirevag, 2013-09-13 This second edition of American Culture includes contemporary events and provides an introduction to American civilization Extracts are taken from diverse sources such as political addresses articles interviews oral histories and advertisements Edited by academics who are highly experienced in the study and teaching of American Studies across a wide range of institutions this book provides texts that introduce aspects of American society in a historical perspective primary sources and images that can be used as the basis for illustration analysis and discussion linking text which stresses themes rather than offering a simple chronological survey American Culture brings together primary texts from 1600 to the present day to present a comprehensive overview of and introduction to American culture

A Turbulent Voyage Floyd W. Hayes, 2000-05 This anthology is designed to introduce the reader to the contours and content of African American Studies The text and readings included here not only impart information but seek as their foremost goal to precipitate in the reader an awareness of the complex and changing character of the African American experience its origins developments and future challenges The book aims to engage readers in the critical analysis of a broad spectrum of subjects themes and issues ancient and medieval Africa Western European domination and African enslavement resistance to oppression African American expressive culture family and educational policies economic and political matters and the importance of ideas The materials included in this anthology comprise a discussion of some of the fundamental problems and prospects related to the African American experience that deserve attention in a course in African American Studies African American Studies is a broad field concerned with the examination of the black experience both historically and presently Hence the subjects themes and issues included in this text transcend the narrow confines of traditional academic disciplinary boundaries In selecting materials for this book Floyd W Hayes was guided by a developmental or historical approach in the general compilation of each section s readings By doing so the author hopes that the reader will be enabled to arrive at a critical understanding of the conditions and forces that have influenced the African American experience A Collegiate Press book

The African American Studies Reader Nathaniel Norment, 2001 African American Studies is a unique field of scholarly inquiry and critical interpretation whose intellectual foundation and development have significantly influenced other disciplines in the academy The African American Studies Reader is the largest and most comprehensive anthology yet undertaken in the field A variety of perspectives are used to

Enduring Legacies Arturo J. Aldama,Elisa Facio,Daryl Maeda,Reiland Rabaka,2011-05-18 Traditional accounts of Colorado s history often reflect an Anglocentric perspective that begins with the 1859 Pikes Peak Gold Rush and Colorado s establishment as a state in 1876 Enduring Legacies expands the study of Colorado s past and present by adopting a borderlands perspective that emphasizes the multiplicity of peoples who have inhabited this region Addressing the dearth of scholarship on the varied communities within Colorado a zone in which collisions structured by forces of race nation class gender and sexuality inevitably lead to the transformation of cultures and the emergence of new identities this volume is the first to bring together comparative scholarship on historical and contemporary issues that span groups from Chicanas and Chicanos to African Americans to Asian Americans This book will be relevant to students academics and general readers

interested in Colorado history and ethnic studies Designing Worlds Kjetil Fallan, Grace Lees-Maffei, 2016-06 From consumer products to architecture to advertising to digital technology design is an undeniably global phenomenon Yet despite their professed transnational perspective historical studies of design have all too often succumbed to a bias toward Western industrialized nations This diverse but rigorously curated collection recalibrates our understanding of design history reassessing regional and national cultures while situating them within an international context Here contributors from five continents offer nuanced studies that range from South Africa to the Czech Republic all the while sensitive to the complexities of local variation and the role of nation states in identity construction The Norton Anthology of American Literature Robert S Levine, Michael A Elliott, Sandra M Gustafason, Amy Hungerford, Mary Loeffelholz, 2016-12-09 The most trusted anthology for complete works balanced selections and helpful editorial apparatus The Norton Anthology of American Literature features a cover to cover revision The Ninth Edition introduces new General Editor Robert Levine and three new generation editors who have reenergized the volume across the centuries Fresh scholarship new authors with an emphasis on contemporary writers new topical clusters and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students Mythmaking across Boundaries Züleyha Çetiner-Öktem, 2016-04-26 This volume explores the dynamics of myths throughout time and space along with the mythmaking processes in various cultures literatures and languages in a wide range of fields ranging from cultural studies to the history of art The papers brought together here are motivated by two basic questions How are myths made in diverse cultures and literatures And do all different cultures have different myths to be told in their artistic pursuits To examine these questions the book offers a wide array of articles by contributors from various cultures which focus on theory history space place philosophy literature language gender and storytelling Mythmaking across Boundaries not only brings together classical myths but also contemporary constructions and reconstructions through different cultural perspectives by transcending boundaries Using a wide spectrum of perspectives this volume instead of emphasising the different modes of the mythmaking process connects numerous perceptions of mythmaking and investigates diversities among cultures languages and literatures viewing them as a unified whole As the essays reflect on both academic and popular texts the book will be useful to scholars and students as well as the general reader **The Bloomsbury Handbook to the Medical-Environmental Humanities** Scott Slovic, Swarnalatha Rangarajan, Vidya Sarveswaran, 2022-07-28 Bringing together two parallel and occasionally intersecting disciplines the environmental and medical humanities this field defining handbook reveals our ecological predicament to be a simultaneous threat to human health The book Represents the first collection to bring the environmental humanities and medical humanities into conversation in a systematic way Features contributions from a wide range of interdisciplinary perspectives including literary studies environmental ethics and philosophy cultural history and sociology Adopts a truly global approach examining contexts including but not limited to North America the UK Africa Latin America South Asia

Turkey and East Asia Touches on issues and approaches such as narrative medicine ecoprecarity toxicity mental health and contaminated environments Showcasing and surveying a rich spectrum of issues and methodologies this book looks not only at where research currently is at the intersection of these two important fields but also at where it is going

From Walden Pond to Jurassic Park Paul Lauter, 2001-04-17 Explores the changes that have occurred in the field of American Studies over the past 40 years

Publications of the Modern Language Association of America, 2006 New Black Renaissance Manning Marable, Adina Popescu, Khary Jones, Patricia Lespinasse, 2015-12-03 Against a backdrop of multiculturalism and Afrocentricity in the intellectual traditions of African American studies this book sets new standards and directions for the future It is the first book to systematically address the many themes that have changed the political and social landscape for African Americans Among these changes are new transnational processes of globalization the devastating impact of neoliberal public policies upon urban minority communities increasing imprisonment and attendant loss of voting rights especially among black males the surging of Hispanic population and widening class differences as deindustrialization crack cocaine and gentrification entered urban communities Marable and a cast of influential contributors suggest that a new beginning is needed for African American scholarship They explain why Black Studies needs to break its conceptual and thematic limitations exploring blackness in new ways and in different geographic sites They outline the major intersectionalities that should shape a new Black Studies the complex relationships between race gender sexuality class and youth They argue that African American Studies scholarship must help shape and redirect public policies that affect black communities working with government foundations and other private institutions on such issues as housing health care and criminal justice
