Denim and Diamonds Debbie Macomber, 2016-06-21 In this heart wrenching classic novel from Debbie Macomber two wounded hearts give in to the healing power of love and learn to trust again Letty Ellison left her small town and her high school sweetheart behind to chase her dreams but music never worked out When she returns nine years later nothing has changed in Red Springs Wyoming except for her Letty is a little more humble she is a single mom to a beautiful daughter and she has a secret she needs surgery for a potentially fatal heart condition On top of everything seeing Chase Brown again makes her realize that what she really wants may have been right here all along After Letty moved away Chase poured his hurt and anger into fixing up his family's ranch Now that she is back he vows to stay as far away from her as possible and yet he can't ignore the rush of emotions he feels every time their paths cross He may be risking heartbreak but Chase has to face the past to build what he really wants a future and a family with Letty Praise for Debbie Macomber No one tugs at readers' heartstrings quite as effectively as Macomber Chicago Tribune The reigning queen of women's fiction The Sacramento Bee It is impossible not to cheer for Macomber's characters When it comes to creating a special place and memorable honorable characters nobody does it better than Macomber BookPage Published by Debbie Macomber Books [Denim and Diamonds](#)

ever seen But Brock Hawkins was so much more than just the hot bar owner He owned half the town built log cabins with his bare hands and was apparently the most eligible man in all of Meadowbrook He was also a cinnamon roll despite his seemingly rock hard exterior And the last man I should ve been falling for because my time in this small town was limited I had to head back to my life in New York City one that was the complete opposite from the kind Brock lived He was denim I was diamonds The problem was the sexy lumberjack wasn t the type of man who was easy to walk away from Hell I couldn t even part with his plaid shirt that had become a constant fixture wrapped around my shoulders most days let alone think about erasing him from my life A life with Brock though would have to be all or nothing Go big or go home I just didn t realize that choosing to go big might also mean getting my heart broken when Brock s life took a turn neither of us saw coming
