

Derek Walcott

Derek Walcott

Derek Walcott:

The Poetry of Derek Walcott 1948-2013 Derek Walcott, 2014-06-24 A collection spanning the whole of Derek Walcott's celebrated inimitable essential career. He gives us more than himself or a world; he gives us a sense of infinity embodied in the language. Alongside Joseph Brodsky's words of praise, one might mention the more concrete honors that the renowned poet Derek Walcott has received: a MacArthur Foundation Fellowship, the Queen's Gold Medal for Poetry, the Nobel Prize in Literature. *The Poetry of Derek Walcott 1948-2013* draws from every stage of the poet's storied career. Here are examples of his very earliest work like *In My Eighteenth Year* published when the poet himself was still a teenager; his first widely celebrated verse like *A Far Cry from Africa* which speaks of violence of loyalties divided in one's very blood; his mature work like *The Schooner Flight from The Star Apple Kingdom* and his late masterpieces like the tender *Sixty Years After* from the 2010 collection *White Egrets*. Across sixty-five years, Walcott grapples with the themes that have defined his work as they have defined his life: the unsolvable riddle of identity, the painful legacy of colonialism on his native Caribbean island of St. Lucia, the mysteries of faith and love and the natural world, the Western canon celebrated and problematic, the trauma of growing old, of losing friends, family, one's own memory. This collection, selected by Walcott's friend, the English poet Glyn Maxwell, will prove as enduring as the questions, the passions that have driven Walcott to write for more than half a century.

Collected Poems, 1948-1984; and; omeros Derek Walcott, 1994 *Derek Walcott* Edward Baugh, 2006-03-09 Nobel Laureate Derek Walcott is one of the Caribbean's most famous writers. His unique voice in poetry, drama, and criticism is shaped by his position at the crossroads between Caribbean, British, and American culture and by his interest in hybrid identities and diaspora. Edward Baugh's *Derek Walcott* analyses and evaluates Walcott's entire career over the last fifty years. Baugh guides the reader through the continuities and differences of theme and style in Walcott's poems and plays. Walcott is an avowedly Caribbean writer, acutely conscious of his culture and colonial heritage, but he has also made a lasting contribution to the way we read and value the western literary tradition. This comprehensive survey considers each of Walcott's published books, offering a guide for students, scholars, and readers of Walcott. Students of Caribbean and postcolonial studies will find this a perfect introduction to this important writer. [The Prodigal](#) Derek Walcott, 2004-10-27 The Nobel Prize-winning poet takes readers on a journey through physical and mental landscapes from Greenwich Village to the Alps, Pescara to Milan, Germany to Cartagena. But always in the music of memory, water abides. St. Lucia, the author's birthplace and the living sea. **Sea Grapes** Derek Walcott, 2014-09-09 Derek Walcott was aptly described by Laurence Liberman in *The Yale Review* as one of the handful of brilliant historic mythologists of our day. *Sea Grapes* deepens with this major poet's search for true images of the post-Adamic new world, especially those of his native Caribbean culture. Walcott's rich and vital naming of the forms of island life is complemented by poems set in America and England, by inward-turning meditations and by invocations of other poets: Osip Mandelstam, Walt Whitman, Frank O'Hara, James Wright, and Pablo Neruda.

On the publication of *Selected Poems* in 1963 Robert Graves wrote Derek Walcott handles English with a closer understanding of its inner magic than most if not any of his English born contemporaries This collection of new poems in every way confirms Walcott s mastery He is also the author of *The Gulf Dream on Monkey Mountain and Other Plays and Another Life* **Another Life** Derek Walcott,2014-09-09 In his longest and most ambitious poem Derek Walcott reaches beyond an evocative portrayl of his native West Indies to create a moving elegy on himself and on man The fascinating and complex matrix of the author s life is illuminated with our candor verve and strength Over four thousand lines of verse are grouped into four parts He evokes scenes of his divided childhood in which children live in shacks while fine khaki clothed Englishmen drink tea He depicts the influence of three intimate friends including his first love Anna on his emergence as a man and artist He chronicles the mixed remorse and resolution of maturity He recalls of his youth We were blessed with a virginal unpainted world with Adam s task of giving things their names Yet in retrospect he acknowledges the irony of his artistic reliance on metaphor to transform reality his search for another life When the author s most recent collection of poetry *The Gulf* was published Selden Rodman wrote in *The New York Times Book Review* Now with the publication of his fourth book of verse Walcott s stature in the front rank of all contemporary poets using English should be apparent Chad Walsh in *Book World* said I am convinced one of the half dozen most imporant poets now writing in English He may prove to be the best *Another Life* helps to fulfill this prophecy **York Notes on Derek Walcott's Selected Poems** Derek Walcott,1993 *The Castaway, and Other Poems* Derek Walcott,1965 *Derek Walcott* John Thieme,1999-07-02 John Thieme here provides a comprehensive study of Derek Walcott s writing from its beginnings in the 1940s to his most recent work Walcott s poetry and drama are set against the background of various contexts and intertexts Caribbean European and other that have shaped him as a writer The book contains a broad overview of Walcott s career for students and readers coming to the work of the 1992 Nobel Laureate for the first time [Derek Walcott's Painters](#) Maria Cristina Fumagalli,2023-05-19 Walcott s lifelong concern with painting and painters deeply inflected his aesthetics and politics Walcott s interventions on the relationship between Caribbean and colonial history have been thoroughly scrutinised but arguably Walcott was also keen to address and re write an art history e of which e paraphrasing a line from Omeros the Caribbean e tooe was is e capablee Contextualising and putting in conversation Walcott s published and unpublished writings poems plays essays journalism and his drawings or paintings privately owned and publicly disseminated with specific artists from the Caribbean Europe South and North America Derek Walcott s *Painters* recalibrates and sharpens our understanding of Walcott s articulation of his own politics and poetics and of the Caribbean s contributions to Atlantic and global culture *Selected Poems* Derek Walcott,2007-12-26 Publisher description ["Palms require translation": Derek Walcott's Poetry in German](#) Sarah Pfeffer,2016-01-01 [Conversations with Derek Walcott](#) Derek Walcott,1996 Candid fiercely independent opinions from the Caribbean poet playwright who received the Nobel Prize for Literature in 1992 **Derek Walcott Papers**

Derek Walcott, 1980 The collection consists of literary papers relating to Walcott's poetic, theatrical and prose writings from the early 1980s to 2001. Holograph notes, rough drafts and revisions are included as well as final drafts and galley proofs of publications. Many works, both poetic and theatrical, also include screen adaptations. There is a small collection of material relating to Walcott's role as stage director, particularly with the Trinidad Theatre Workshop. The literary papers are complemented by sketches and watercolours by Walcott, often in the form of stage directions or film storyboards. **Derek Walcott**

Harold Bloom, 2003 The poetry of Derek Walcott is said to stand out from other contemporary American works because of its bold eloquence. This text provides literary criticism from some of the most respected authorities on his poetry. Examined works include *The Theatre of Our Lives* and *Approaches to the Poetics of Derek Walcott*. José Luis

Martínez-Dueñas, José María Pérez Fernández, 2001 This book provides a fresh and illuminating approach to the poetry of Derek Walcott by combining close analysis and interpretation with a perspective that is not restricted to current post-colonial or even Caribbean readings of Walcott's work. In this respect, our volume will be useful for those readers who seek to become familiar with some of the underlying traditions and different types of poetic veins that interact in the poetry of the Caribbean Nobel Prize winner. White Egrets

Derek Walcott, 2010-03-16 In *White Egrets*, Derek Walcott treats his characteristic subjects: the Caribbean's complex colonial legacy, the Western artistic tradition, the blessings and withholdings of old Europe, Andalusia, the Mezzogiorno, Amsterdam, the unaccommodating sublime of the new world, and more. **Voices in the Creation**

of an Indigenous Trinidad and Tobago Theatre Patrick Brennan, 2025-04-15 This book explores how, from the mid-20th century, a new form of theatre emerged in Trinidad and Tobago as its playwrights came to mine the Afro-Creole Trinidadian folk milieu. This book focuses primarily on the period from the 1950s through to the contemporary moment, investigating how Trinidad's theatrical practitioners developed methodologies that formulated an indigenous theatre. It examines how, in its creation, it would distance itself from Western forms as the stage was decolonized, making way for a variety of new forms that mimetically reflect the reality of Trinidad's Afro-Creole folk. This book establishes a premise on which the terms folk and indigenous have been shaped by Trinidad's socio-historical past. It develops an argument that outlines how Trinidad's African cultural retentions form a central basis on which a theatrical tradition was established. This book traces the historical impetus and driving forces that gave rise to a body of writers for whom the vitally important link between the production of drama and the search for identity in the immediacy of the post-colonial period is established. The book develops a structure that forms three lines of discrete research: folk expression, women, their portrayal and their emergence as theatrical practitioners and theatrical developments through the decades. These subject areas are examined through the work of a broad body of playwrights. Exploring their theory and praxis, their work is described in terms that exhibit a variety of genres with tropes that have become indelible resources for theatrical practitioners to draw from. With a theatrical base that extends from popular comedy to avant-garde spiritual works, the theatre is shown to represent a composite entity, one that accommodates a

plurality of forms which in their summation express the breadth and depth of Trinidad and Tobago's theatrical journey one that is still very much underway Readers that have an interest in theatre cultural gender post colonial or Caribbean studies will enjoy this book

Derek Walcott Bruce King, 2000 This is the first full scale literary biography of Nobel Prize winning poet and dramatist Derek Walcott It traces the creative contradictions in his life from colonial St Lucia where he was part of a tiny English speaking Protestant mulatto elite in an overwhelmingly French Creole Roman Catholic black society to 1999 when a star of international literature and a symbol of cultural decolonization he wanted to be Poet Laureate of England The author had had access to letters diaries uncollected and unpublished writings and conducted numerous interviews in the Caribbean North America and Europe Walcott is seen as someone driven by the need to justify his life and fulfill his talents before an unknowable God but who in mastering the ways of the world often regards himself as an example of fallen humanity Besides offering an approach to Walcott as a poet dramatist theater director arts critic and teacher the book shows how his desire to be a painter influenced his vision and the way he works

Another Life Derek Walcott, Edward Baugh, Colbert I. Nepaulsingh, 2004 This near definitive study sets a new standard for the kind of meticulous scholarship that Nobel laureate Derek Walcott's poetry deserves at the same time that it enhances the accessibility of Walcott's history and poetry for the general reader
