Demonology And Devil Lore 1879:

Demonology and Devil-lore Moncure Daniel Conway,2020-03-06 Written in the 19th century this lengthy and thorough text documents the various manifestations of demons and devils in the Christian religion The forms they take and the means by which they appear in the physical world are cataloged How they correspond to actual phenomena such as death and pestilence is likewise noted Conway draws upon various writings within the Biblical scriptures together with later works published in the Middle Ages and subsequent centuries to arrive at his own comprehensive treatment of the subject The second volume of the work concerns devils Various figures such as Ahriman and Visw mitra receive chapters in which the writings about them are quoted to form a complete image of their behavior and meanings Appearances of devils in later works such as the diabolical Mephistopheles in Goethe s Faust are also cataloged The overarching aim of Conway s thesis is to draw parallels between the various demonic and devilish phenomena while noting their overall influence across the history of Christianity The text is informative in tone and does not stray to dogmatism Conway instead provides sourced information in a factual studied tone For his part Conway was not a believer in the lore of demons Although he served variously as a Methodist Unitarian and Freethought minister in life he had little time for the supernatural elements of Christianity It is thus that *Demonology and Devil lore* is an effort toward debunking and discounting what Conway viewed as the fantastical elements of a faith he otherwise identified with spiritually and morally Today *Demonology and Devil lore* is somewhat archaic in terms of tone owing to its age However it still counts among the most thorough in depth and wide ranging treatments of a subject which has fascinated religious and non religious persons alike for centuries Goodreads [Demonology and Devil-Lore, Volume 1... - Primary Source Edition](#) Moncure Daniel Conway,2014-01 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification *Demonology And Devil lore Volume 1 Demonology And Devil lore* Moncure Daniel Conway Moncure Daniel Conway Chatto and Windus Piccadilly 1879 *Demonology Mythology* *Demonology and Devil-Lore* Moncure Daniel Conway,2016-07-11 A well written book about Devil in Religion Mythology History originally published in 1879 This edition contains both volumes [Demonology and Devil-Lore - The Complete Volume](#) Moncure Daniel Conway,2022-11-23 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The United Editors Perpetual**
