## **Depraved And Insulting English:**

Depraved and Insulting English Peter Novobatzky, Ammon Shea, 2001 A comprehensive dictionary of offensive and obscene words in the English language

Bad English Ammon Shea, 2015-06-02 The author of Reading the OED presents an eye opening look at language mistakes and how they came to be accepted as correct or not English is a glorious mess of a language cobbled together from a wide variety of sources and syntaxes and changing over time with popular usage Many of the words and usages we embrace as standard and correct today were at first considered slang impolite or just plain wrong Whether you consider yourself a stickler a nitpicker or a rule breaker in the know Bad English is sure to enlighten enrage and perhaps even inspire Filled with historic and contemporary examples the book chronicles the long and entertaining history of language mistakes and features some of our most common words and phrases including Decimate Hopefully Enormity That which Enervate energize Bemuse amuse Literally figuratively Ain t Irregardless Socialist OMG Stupider Lively surprising funny and delightfully readable this is a book that will settle arguments among word lovers and it s sure to start a few too

Insulting English Peter Novobatzky, Ammon Shea, 2001-06-09 At last a compendium of ingeniously insulting words for every occasion For anyone who s been stymied by the level of sloth bad looks and low intelligence of his fellow man and woman help is on the way You can t change the tiresome creatures around you but now you can describe them behind their backs with pleasing specificity Yes Insulting English is a user s guide to little known and much needed words that include Gubbertush Buck toothed person Hogminny A depraved young woman Nihilarian Person with a meaningless job Pursy Fat and short of breath Scombroid Resembling a mackerel Tumbrel A person who is drunk to the point of vomiting These and many other gems from our colorful mother tongue are collected on these pages Now every gink knipperdollin and grizely dunderwhelp can be called by his rightful name

The Painted Word Phil Cousineau, 2012-09-11 To untangle the knot of interlocking meanings of these painted words logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used ending with a list of companion words The words themselves range from commonplace like biscuit a twice baked cake for Roman soldiers to loanwords including chaparral from the Basque shepherds who came to the American West words from myths such as hector metamorphosis words like silly which evolved holy to goofy in a mere thousand years and words well worthy of revival such as carrytale a wandering storyteller Whether old fangled or brand new all the words included in The Painted Word possess an ineffable quality that makes them luminous
